Exhibit "A"**Exhibit "B"**

PREAMBLE

This AGREEMENT, hereinafter referred to as the Agreement, entered into by the COUNTY OF SACRAMENTO, hereinafter referred to as the County, and the INTERNATIONAL UNION OF OPERATING ENGINEERS, STATIONARY ENGINEERS, LOCAL 39, AFL-CIO, hereinafter referred to as the Union, has as its purpose the promotion of harmonious labor relations between the County and the Union; establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment.

The term "agreement" as used herein means the written agreement provided under Section 3505.1 of the Government Code.

ARTICLE I RECOGNITION AND COVERAGE

1.1 RECOGNITION

- a. The County recognizes the Union as the exclusive negotiating agent for all employees in the Operations and Maintenance Unit.
- b. The Union recognizes the County Executive or his/her designee as the negotiating representative for the County and shall negotiate exclusively with him/her or his/her designee, except as otherwise specifically spelled out in this Agreement.

1.2 COVERAGE OF EMPLOYEES

- a. The Operations and Maintenance Unit consists of all employees as stated in the listing of classes set forth in Exhibit "A" of this Agreement.
- b. This Agreement applies only to employees in the above-described representation unit.

ARTICLE II UNION RIGHTS

2.1 UNION SECURITY

- a. It is the intent of this article to provide for payroll deductions of Union members to be deducted from their warrants insofar as permitted by law, and not to exceed \$99.99 biweekly including dues. The County agrees to deduct and transmit to the Union all authorized deductions from all Union members within the foregoing units

who have signed an approved authorization card or cards for such deductions in a form agreed upon by the County and the Union. In the event the County misses one (1) or more dues deductions in a payroll period, due to no fault on the part of the Union, the County will correct the error in the next biweekly pay period if notified by the Union in writing within five (5) workdays of the initial transmittal to the Union.

- b. (1) The written authorization for Union dues deductions shall remain in full force and effect during the life of this Agreement between the County and the Union, unless canceled in writing.
- (2) The written authorization for approved insurance and benefit programs and the amount of dues deducted from Union members' warrants shall be changed by the County upon written request of the Union.
- (3) The Union agrees to indemnify, defend, and hold the County harmless against any claims made of any nature and against any suit instituted against the County arising from its checkoff for the dues, insurance, or benefit programs of the Union.

c. "Approved insurance and benefit programs" are those which the County has approved as being non-competitive or non-duplicative of County-offered programs. The County reserves the right to disapprove any insurance program, in advance, if competitive or duplicative; and to cancel all Union insurance and benefit program payroll deductions where they are established without prior County approval. It is understood that life insurance, except for accidental death and dismemberment, is competitive and duplicative of County-offered programs. It is understood that insurance programs offered by the Union to employees not eligible for enrollment in County insurance programs are "approved insurance and benefit programs."

d. Solicitation and/or servicing of Union insurance and benefit programs shall not interrupt on-duty employees nor be conducted in County facilities without prior approval of the County.

2.2 UNION NOTICES AND MEETINGS

a. The Union may use County conference rooms and similar building facilities for meetings with employees in the units it represents, may post materials on bulletin boards which have been provided for their use in the units it represents, and may visit work locations to confer with its members regarding grievances or other business within the scope of representation or otherwise provided for within this Agreement.

b. Use of County meeting facilities requires at least twenty-four (24) hours advance notice to the appropriate County official and is subject to County use of such facilities; provided, however, that once scheduled, such Union meetings may not be canceled by the County except under emergency situations. The County may establish reasonable regulations governing the use of County facilities as provided by this section.

c. The Union shall be entitled to the use of a bulletin board at each work location where they are established or where they may be reasonably necessary.

d. Duly authorized representatives of the Union shall be permitted, at all times that employees in the units it represents are working, to enter offices to transact business within the scope of representation and to observe conditions under which employees are employed and carry out their responsibilities; provided, however, that the Union representative shall, upon arrival at the facility, notify the person in charge of the areas he wishes to visit. Access shall not be unreasonably denied. If denied, the reason or reasons for denial must be stated.

e. The Union may transmit reasonable amounts of written materials through the County's departmental interoffice "Local 39 Business, Confidential" is to be delivered to the addressee unopened.

2.3 UNION REPRESENTATION

a. The County recognizes and agrees to deal with designated stewards and representatives of the Union on all matters relating to grievances and the interpretation, application, or enforcement of the express terms of this Agreement.

The designated job stewards must be employees and work in the area to which they are assigned as a job steward (example: the job steward assigned to Parks--North must work at either Cherry Island or Gibson Ranch).

c. The Union shall furnish the County with the names of designated representatives and shop stewards immediately after their designation. Shop stewards will not be recognized by the County until such a list is received by the County Executive and the department head involved.

d. Upon the request of the aggrieved employee, a shop steward or representative of the Union may investigate the specified grievance provided it is in his or her assigned area of responsibility and assist in its presentation. Shop stewards who are full-time employees shall be allowed a reasonable time for this purpose during working hours without loss of pay, subject to prior notification of his or her immediate supervisor. If the shop steward requests to leave the work site, notification shall be in writing on a form prescribed by the County, which form will state the amount of time spent for the purpose. All shop stewards shall keep to a minimum the time spent in fulfilling their duties. The right to use County time as designated above will be limited to designated shop stewards only.

e. It shall be the responsibility of all shop stewards to discuss first with their immediate supervisor any question regarding interpretation or application of this Agreement.

f. At the request of the Union, a shop steward may be allowed reasonable time off without loss of pay to represent the Union in meetings with representatives of the County. Such time off shall be subject to prior notification and approval as provided in Subsection d. above.

ARTICLE III COUNTY RIGHTS

3.1 COUNTY RIGHTS

a. All County rights and functions, except those which are expressly abridged by this Agreement, shall remain vested with the County.

b. The rights of the County include, but are not limited to, the exclusive right to determine the mission of its constituent departments, commissions and boards; set standards of service; determine the procedures and standards of selection for employment and promotion; train, direct and assign its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of County operations; determine the methods, means and personnel by which County operations are to be conducted; determine the content of job classifications; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work. The County has the right to make reasonable rules and regulations pertaining to employees consistent with this Agreement.

c. This Agreement is not intended to, nor may it be construed to, modify the provisions of the Charter relating to civil service or personnel administration. The Civil Service Commission shall continue to exercise authority over classification of jobs and procedures and standards of selection for employment and promotion.

d. This Agreement is not intended to restrict consultation with the Union regarding matters within the right of the County to determine.

e. This section is not subject to the grievance and arbitration procedure as outlined in this Agreement.

ARTICLE IV GENERAL PROVISIONS

4.1 STRIKES AND LOCKOUTS

a. No lockout of employees shall be instituted by the County during the term of this Agreement.

b. The Union agrees that during the term of this Agreement, neither it nor its officers, employees or members will engage in, encourage, sanction, support, or suggest any strikes, work stoppages, boycotts, slow downs, mass resignations, mass absenteeism, picketing or any other similar actions which would involve suspension of, or interference with, the normal work of the County. In the event that Union members

participate in such activities in violation of this provision, the Union shall notify those members so engaged to cease and desist from such activities and shall instruct the members to return to their normal duties.

4.2 DISCRIMINATION

a. The County will not interfere with or discriminate in any way against any employee by reason of his/her membership in the Union or participation in any activity approved by this Agreement, nor will the County discourage membership in the Union or encourage membership in any other employee organization.

b. The Union, in turn, recognizes its responsibility as exclusive negotiating agent and agrees to represent all employees without discrimination, interference, restraint, or coercion. The provisions of this Agreement shall be applied equally to all employees without discrimination as to physical or mental disability, age, sex, marital status, religion, race, color, creed, national origin, or political or employee organization affiliation. The County and the Union shall share equally the responsibility for applying this provision of the Agreement.

ARTICLE V GRIEVANCE AND ARBITRATION PROCEDURE

5.1 PURPOSE

a. This grievance and arbitration procedure shall be used to process and resolve grievances arising under this Agreement.

b. The purposes of this procedure are:

- (1) To resolve grievances informally at the lowest possible level;
- (2) To provide an orderly procedure for reviewing and resolving grievances promptly.

5.2 DEFINITIONS

a. A grievance is a complaint of one (1) or a group of employees, or a dispute between the County and the Union, involving the interpretation, application or enforcement of the express terms of the Agreement.

b. As used in this procedure the term "immediate supervisor" means the individual who assigns, reviews and directs the work of an employee.

c. As used in this procedure the term "party" means an employee, the Union or the County.

d. As used herein, "representative" or "Union representative", if an employee of the County, refers to an employee designated as such pursuant to Section 2.3.

5.3 TIME LIMITS

Each party involved in a grievance shall act quickly so that the grievance may be resolved promptly. Every effort should be made to complete action within the time limits contained in the grievance procedure, but with the written consent of all parties the time limitation for any step may be extended.

5.4 PRESENTATION

The grievant or the Union representative or both may present a grievance while on duty. For purposes of this section, a Union representative is defined as a professional Union staff member or a Union steward, so long as said Union steward is a full-time or regular part-time employee.

5.5 EMPLOYEE RIGHTS

The employee retains all rights conferred by Section 3500, et seq., of the Government Code or Chapter 2.79 of the Sacramento County Code.

5.6 APPLICATION

Grievances as defined in Section 5.2 shall be brought through this procedure. The procedure adopted by the Board of Supervisors, effective October 1, 1969, shall not apply to employees covered by this Agreement for any purpose whatsoever.

5.7 INFORMAL DISCUSSION

a. The grievance initially shall be discussed with the immediate supervisor. The employee may be represented by the Union representative.

b. Within five (5) workdays, the immediate supervisor shall give his/her decision or response. If the immediate supervisor fails to respond to the informal grievance within five (5) workdays, the grievant shall have the right to initiate a formal grievance no later than ten (10) workdays after the event or circumstance occasioning the grievance.

5.8 FORMAL GRIEVANCE - STEP 1

a. If an informal grievance is not resolved to the satisfaction of the grievant, or if there is reason to bypass the informal step, a formal grievance may be initiated. A formal grievance may be initiated no later than:

- (1) Ten (10) workdays after the event or circumstances occasioning the grievance; or

- (2) Within five (5) workdays of the decision rendered in the informal grievance procedure, whichever is later.

b. However, if the informal grievance procedure is not initiated within the period specified in Subsection (1) above, the period in which to bring the grievance shall not be extended by Subsection (2) above.

c. A formal grievance shall be initiated in writing on a form prescribed by the County and shall be filed with the person designated by the appointing authority as the first level of appeal. The employee may be represented by the Union representative.

d. Within ten (10) workdays after the initiation of the formal grievance, the designee of the appointing authority at the first level of appeal shall investigate the grievance, and give his/her decision in writing to the grievant.

5.9 FORMAL GRIEVANCE - STEP 2

a. If the grievant is not satisfied with the decision rendered pursuant to Step 1, he/she may appeal the decision within five (5) workdays to the appointing authority or his/her designee. The employee may be represented by the Union representative. If the appointing authority or his/her designee is the first level of appeal, the grievant may bypass Step 2.

b. Within ten (10) workdays the appointing authority or his/her designated representative shall respond in writing to the grievance. If a meeting is held between the Union and the Step 2 designee, the appointing authority shall have ten (10) workdays from the date of the meeting to respond.

5.10 FORMAL GRIEVANCE - STEP 3

a. The Step 3 appeal shall be considered a formal request for a meeting and a written decision by the County Executive or his/her designee. The meeting should be held within twenty (20) working days from receipt of the appeal to Step 3.

b. The County and the Union agree to make every effort to schedule Step 3 grievance meetings twice a month. The intent of the parties is to hear all grievances within forty (40) working days of the appeal.

c. There shall be two (2) tracks to solve the problem at Step 3. The Union shall reserve the right to choose either:

- (1) Mediation as described in Section 5.11; or
- (2) Third step appeal as described in Section 5.12.

5.11 MEDIATION

a. Grievances appealed to Step 3 may be submitted by the Union to mediation. Mediation shall take place on the first and third Tuesday of each calendar month. Subsequent days for mediation will be scheduled, if necessary. The parties agree to mutually select a panel of mediators. If the parties are unable to select a panel of mediators, they shall utilize the State Mediation and Conciliation Service.

b. Under no case shall the adjustment or resolution of the grievance at this level exceed forty (40) working days from the date of their appeal to Step 3, unless extended by mutual agreement of the parties. If not extended, the Union may appeal the grievance to arbitration.

c. Mediators who have been selected by the parties to mediate grievance disputes will be scheduled on a rotating and available basis.

d. The parties agree to meet annually in May to review the mediators listed above. The list of mediators for the subsequent year shall be mutually agreed upon, but should the parties be unable to agree on a new list, the previous list will continue until such time as a new list is agreed to or the State Mediation and Conciliation Service is utilized.

e. All costs of the mediator, if any, shall be borne equally by the parties. No party shall purposely withhold information at this level but shall disclose all information relevant to the grievance for consideration by the other party.

f. Mediation Procedures. The mediation procedure shall be entirely informal in nature. However, copies of exhibits upon which either party bases its case shall be shared with the other party. The relevant facts should be elicited in a narrative fashion to the extent possible, rather than through examination and cross-examination of witnesses. The rules of evidence will not apply and no record of the proceedings will be made. All persons involved in the events giving rise to the grievance should be encouraged to participate fully in the proceeding, both by stating their views and by asking questions of the other participants at the mediation hearing.

g. The primary effort of the mediator shall be to assist the parties in settling the stated grievance in a mutually satisfactory fashion. In attempting to achieve a settlement, the mediator is free to use all of the techniques customarily associated with the mediation process, including private conferences with only one (1) party. If settlement is not possible, the mediator shall provide the parties with an immediate

bench opinion, based on the stated grievance and the Collective Bargaining Agreement, as to how the grievance would be decided if it went to arbitration. That opinion would not be final or binding, but would be advisory. It would be delivered orally and would be accompanied by a statement of the reasons for the mediator's opinion. The advisory opinion may be used as the basis for further settlement discussions or for withdrawal or granting of the grievance. If the grievance is not settled, granted or withdrawn, the parties are free to arbitrate. If they do, the mediator shall not serve as arbitrator, and no offers or concessions made by the parties or the mediator during mediation can be used against a party during arbitration. Neither attorneys nor court reporters or any other type of note taker shall be allowed to be present at the proceedings.

h. If the parties agree to be bound by a mediator's recommendation, the subsequent agreement shall be reduced to writing and signed by the parties.

i. Any grievance not resolved within twenty (20) working days of the initial mediation session with no subsequent mediation session(s) scheduled and which the Union wishes to pursue may be appealed by the Union to arbitration within ten (10) working days.

5.12 HEARING AND RESPONSE - STEP 3

a. If the Union grievant chooses not to utilize mediation and is not satisfied with the decision rendered pursuant to Step 2, he/she may appeal the decision within five (5) workdays to the County Executive. The employee may be represented by a Union representative.

b. The County Executive or his/her designated representative shall, within ten (10) workdays of receipt of the appeal, schedule and conduct a grievance hearing unless extended by mutual agreement of the parties. The County Executive or his/her representative shall render a written response to the grievance within fifteen (15) workdays following the date of the grievance hearing unless extended by mutual agreement of the parties.

5.13 ARBITRATION - STEP 4

If the County Executive or his/her designated representative fail to respond in writing as provided in Step 3, or if the Union is not satisfied with the decision at Step 3, the Union shall have the right to refer the matter to binding arbitration. Such referral shall be made by written demand submitted to the County Executive within ten (10) workdays of receipt of his/her decision.

5.14 SELECTION OF ARBITRATOR

a. An impartial arbitrator shall be selected jointly by the parties within ten (10) workdays of receipt of the written demand.

b. (1) In the event the parties are unable to agree within the time stated, the arbitrator shall be selected from the following list of arbitrators:

Gerald McKay
Alexander Cohn
Jerilou Cossack
Kenneth Silbert
Leo Kanowitz

This list may be modified by mutual agreement of the parties.

- (2) Arbitration Selection: Where this section is used to determine the selection of an arbitrator, the arbitrator to hear a particular dispute shall be determined on a straight rotation basis, based upon the above listed order. If the next arbitrator on the rotation is unavailable to serve as the arbitrator, that arbitrator shall be bypassed and the next listed arbitrator shall be the selected arbitrator to be contacted. Either party shall have the right to declare an arbitrator as unavailable if the arbitrator cannot conduct the hearing within ninety (90) days of being contacted by the parties. If a party makes such a declaration, that arbitrator will be bypassed and the next listed arbitrator shall be the selected arbitrator to be contacted.
- (3) If none of the arbitrators are able to serve based upon this selection process, the parties may mutually select any arbitrator. If the parties are unable to mutually agree upon an arbitrator, a list of five (5) arbitrators shall be requested from the State Mediation and Conciliation Service. The parties shall alternately strike one (1) name from this list and the remaining name shall be the selected arbitrator.

c. The County and the Union may use expedited arbitration. Expedited arbitration would include:

- (1) A requirement that the arbitrator selected render a decision within sixty (60) calendar days of the conclusion of the hearing.
- (2) Either side may request, at their cost, a court reporter.
- (3) No post hearing briefs unless mutually agreed by the parties.

d. Either the County or the Union may require a full arbitration hearing on any grievance.

5.15 DECISION

a. The decision of the arbitrator shall be final and binding.

b. The arbitrator shall have no authority to add, delete or alter any provisions of this Agreement, nor shall the arbitrator substitute his/her discretion in any case where the County is given or retains such discretion. The arbitrator shall limit his/her decision to the application and interpretation of the provisions of this Agreement.

5.16 COSTS

The fees and expenses of the arbitrator and the court reporter, if required by the arbitrator or requested by a party, shall be shared equally by the parties.

5.17 WITNESSES

The County agrees that employees shall not suffer loss of compensation for time spent as a witness at an arbitration hearing held pursuant to this Agreement. The Union agrees that the number of witnesses requested to attend and their scheduling shall be reasonable.

5.18 RESPONSE

If the County fails to respond to a grievance within the time limits specified for each step, the grievant shall have the right to appeal to the next higher step up to Step 3.

5.19 COPY OF DECISION

At each step of the formal grievance procedure, a copy of the decision shall be sent to the Union at the same time as the decision is sent to the grievant.

5.20 GRIEVANCES/PERSONNEL FILES

Copies of grievances filed pursuant to this section will not be placed in personnel files as defined in Section 15.8-a.

ARTICLE VI HOURS OF WORK AND OVERTIME

6.1 HOURS OF WORK

a. The regular workweek shall commence Sunday and extend through

Saturday, eight (8) hours per day, five (5) days per week, for a total of forty (40) hours, which includes authorized absences with pay.

b. The hours of work, including authorized absences with pay, of all part-time employees shall be established by the appointing authority but shall normally be less than eight (8) hours per day or forty (40) hours per week.

c. Employees normally shall be allowed a lunch period of not less than thirty (30) minutes nor more than one (1) hour which shall be scheduled generally in the middle of the work shift. Permanent employees shall be given at least five (5) workdays' written notice prior to a permanent change in their assigned lunch hours. The notice requirement shall not apply to temporary or emergency assignments.

d. Whenever it is necessary for an employee to work overtime in excess of two (2) consecutive hours, he/she shall be granted an additional lunch period, the taking of which is optional with the employee.

e. Lunch periods shall not be counted as time worked except for those employees for whom lunch periods include the actual performance of assigned duties such as employees who work a straight eight-hour shift.

f. When an employee is ordered by the County to attend training, the time spent in training shall be counted as hours worked. Training which takes place during off-duty hours with attendance voluntary is not hours worked.

g. Permanent employees shall be given at least five (5) workdays' written notice prior to a permanent change in their assigned hours of work. The notice requirement shall not apply to temporary or emergency assignments.

h. Notwithstanding a. above, employees of a specific section, unit, division, or department may work a modified biweekly pay period of less than ten (10) days, but not less than eighty (80) hours, subject to approval of the County and the Union.

6.2 9/80 WORK SCHEDULES

a. An appointing authority, with prior approval of the County Executive, may approve individual requests of employees covered by this Agreement in their department to work a 9/80 work schedule. In addition, in recognition of the type and nature of work performed by many groups of employees covered by this Agreement, the appointing authority has the right to place, at their discretion, all employees in a work unit, section or division on a 9/80 work schedule.

b. For employees who do not receive time and one-half overtime pay, the workweek will remain from 12:00 a.m. on Sunday to 12:00 a.m. the following Sunday, a period of seven (7) consecutive twenty-four hour periods.

(1) For these employees, the 9/80 work schedule is a schedule which during one (1) week of the biweekly pay period the employee is

scheduled to work four (4) nine-hour workshifts for a total of thirty-six (36) hours, and during the other week of the pay period, is scheduled to work four (4) nine-hour workshifts and one (1) eight-hour workshift.

- (2) For these employees working the 9/80 work schedule who are eligible to earn straight-time overtime, overtime shall be earned when the employee is required to work in excess of nine (9) hours when normally scheduled to work the nine-hour workshift and in excess of eight (8) hours when normally scheduled to work the eight-hour workshift. Overtime shall also be earned when an employee eligible for overtime is required to work in excess of thirty-six (36) hours during the week the employee is scheduled to work thirty-six (36) hours, or in excess of forty-four (44) hours during the week the employee is scheduled to work forty-four (44) hours.

c. For employees who do receive time and one-half overtime pay, the individual employee's workweek must be redesignated by the County so that it commences in the middle of the eight-hour workshift as described in Subsection b.(1) above. This redesignated workweek must be in writing and specifically state the day of the week and time of day that the workweek commences and the effective date of the redesignated workweek. This must be completed and approved prior to the employee working the 9/80 schedule and be filed in the employee's personnel file. This redesignated workweek must be changed prior to the employee altering the day of the week or time of day that the eight-hour workshift occurs; the redesignated workweek must always commence during the middle of the eight-hour workshift. This redesignated workweek must also be changed back to the standard Sunday through Saturday workweek upon the employee moving off the 9/80 work schedule.

- (1) For these employees, the 9/80 work schedule is a schedule in which during each redesignated workweek the employee works four (4) nine-hour workshifts and one (1) four-hour workshift. The two (2) four-hour workshifts are worked consecutively in a manner to constitute one (1) eight-hour work period, similar to the eight-hour workshift provided in Subsection b.(1) above.
- (2) For these employees overtime shall be earned when the employee is required to work in excess of nine (9) hours when normally scheduled to work the nine-hour workshift, and in excess of forty (40) hours during the redesignated workweek. Additionally, overtime will be earned when the employee is required to work more than four (4) hours when normally scheduled to work either of the four-hour workshifts.

d. Employees working a 9/80 schedule shall take an unpaid meal period in the middle of their nine-hour and eight-hour workshifts, or between the two (2) four-hour workshifts, consistent with Section 6.1. Employees may receive one (1) rest period during the first half of the employee's nine-hour or eight-hour workshift and one (1) rest

period during the second half of the nine-hour or eight hour workshift, consistent with Section 6.7. Employees who work two (2) four-hour workshifts may receive one (1) rest period during each four-hour workshift.

e. An employee shall be granted a holiday that falls on the employee's scheduled eight-hour workshift. If the holiday falls on the scheduled nine-hour workshift, the remaining hour must be taken off as leave first from accumulated compensating time off or holiday in lieu, and second from accumulated vacation time; and, if there are no leave balances, then leave without pay. If the holiday falls when the employee is scheduled to work the two (2) four-hour workshifts, then both four-hour workshifts shall be deemed to be the holiday. If a holiday falls on an employee's scheduled day off, the employee shall accrue eight (8) hours compensating time off.

f. Full shift absences on vacation, sick leave, compensating time off, or holiday in lieu taken by employees on a scheduled nine-hour workshift shall result in the deduction of nine (9) hours from the employee's accrued leave balances. Full shift absences on the eight-hour workshift shall result in the deduction of eight (8) hours from the employee's accrued leave balances. Full shift absences from either four-hour workshift shall result in the deduction of four (4) hours from the employee's accrued leave balances.

g. Employees may return to the standard five-day, forty-hour workweek upon the approval of their appointing authority.

h. The appointing authority shall have the right to return employee(s) to the standard five-day, forty-hour workweek schedule after providing advance written notice of two (2) full pay periods to the affected employee(s).

i. Employees covered by this Agreement who are assigned to the Traffic Signs and Signals Sections or Highway Maintenance Section of the Transportation Division within the Department of Public Works shall receive a paid lunch period when assigned to a 9/80 work schedule. This is in recognition that a lunch period is work time if an employee is required to perform duties while eating. Being ordered to remain with a vehicle while in the field during the lunch period is considered work time. In recognition that the employees described herein in Subsection i. work jobs that during the course of a workday move from site to site, have fluctuating work flow, may await material delivery, and may fill out paper work before and/or after completion of a job and recognizing employees described herein also receive a paid lunch, these employees shall not receive rest periods at regularly scheduled times as described in Section 6.7 of this Agreement.

j. Employees in the Traffic Signs and Signal Sections of the Transportation Division who were on a 9/80 work schedule and working a "44/36" work schedule as outlined in Section 6.2 of the Operations and Maintenance Agreement of 1990-93, shall be covered by the 9/80 language described in Section 6.2 of this Agreement. The salary received by these employees for working eighty (80) hours in a two-week period shall be the same received when working eighty (80) hours in a two-week period under the previously described "44/36" work schedule.

6.3 AIRCRAFT RESCUE AND FIRE FIGHTING 24-HOUR WORK SCHEDULE

a. At such time that the County decides to implement a 24-hour work schedule in Aircraft Rescue and Fire Fighting (ARFF), the parties agree that such 24-hour work schedule shall be administered in accordance with the following provisions:

(1) Hours of Work:

- (a) The article on hours of work and overtime of this Agreement shall not apply to employees assigned a 24-hour work schedule.
- (b) All 24-hour employees shall be scheduled to work a total of nine (9) shifts within a 28-day cycle, for a total of 2,912 hours of work per year. Employees shall report for duty at 0800 and go off duty 24 hours later, at 0800 the following morning. Designation of shifts and assignment of personnel shall be at the discretion of the County.
- (c) Employees assigned a 24-hour work schedule shall be on duty at all times and prepared to perform airport emergency rescue and fire-fighting activities as required. Other duties such as general maintenance, equipment readiness, inspections, and related work shall normally be performed between 0800 and 1700 hours. Break times and meal periods shall be considered hours worked and will be arranged by the County as operations permit.

(2) Salary:

- (a) The sections on night shift pay and incentive pay for fire operations workers of this Agreement shall not apply to employees assigned on a 24-hour work schedule.
- (b) The straight time hourly rate of pay for employees on a 24-hour work schedule shall be determined by dividing the employee's annual base salary by 2,912 hours. The annual

base salary shall include Emergency Medical Technician (EMT) incentive pay and the total annual cost of night shift pay earned by employees pursuant to this Agreement but applied equally to all employees on a 24-hour work schedule.

- (c) Whenever an employee is reassigned from a 24-hour work schedule (2,912 hours of work per year) to a 40-hour work schedule (2,080 hours of work per year), the employee's straight time hourly rate shall be determined by dividing the employee's annual salary by 2,080 hours. As long as employees remain in ARFF job classifications while working a 40-hour work schedule, they shall not be eligible for night shift pay.

(3) Overtime:

- (a) Overtime hours worked will be compensated at one and one-half ($1\frac{1}{2}$) times an employee's straight time hourly rate of pay. An employee shall be compensated at the overtime rate for all hours worked that are not part of the employee's assigned work schedule. Leave time taken by an employee shall not be counted as time worked for overtime purposes.
- (b) The County has the right to require an employee to remain at work and perform work-related duties for the duration of the established overtime period.

- (4) Callback: Callback shall be paid at $1\frac{1}{2}$ times the hourly rate of pay, for a period of two (2) hours or for hours actually worked, whichever is greater.

(5) Leave Time:

- (a) Vacation, sick leave, and holiday-in-lieu time provided for in this Agreement shall be accrued by 24-hour work schedule employees (2,912 hours of work per year) at the current accrual rates, times a conversion factor of 1.4. For example, 40-hour work schedule employees (2,080 hours of work per year) accrue sick leave at the rate of 4.6 hours biweekly. Thus, 24-hour work schedule employees shall accrue 6.44 ($4.6 \times 1.4 = 6.44$) hours of sick leave biweekly. Leave time accruals shall be decreased by the conversion factor of 1.4 whenever an employee is reassigned from a 24-hour work schedule to a 40-hour work schedule.
- (b) Leave time balances and "caps" (maximums) shall be increased by the conversion factor of 1.4 whenever an employee is reassigned from a 40-hour work schedule to a

24-hour work schedule. Leave time balances and caps shall be decreased by the conversion factor of 1.4 whenever an employee is reassigned from a 24-hour work schedule to a 40-hour work schedule.

- (c) Vacation, sick, and other leave time provided for in this Agreement shall be taken by 24-hour work schedule employees pursuant to existing provisions of this Agreement, except that leave time other than sick leave shall not be taken in blocks of less than four (4) hours, at the discretion of management.

(6) General:

- (a) If the above provisions conflict with other terms of this Agreement, the provisions of this section shall prevail.
- (b) Whenever a term of this Agreement references a 40-hour work schedule, such term shall be increased, if applicable, by a conversion factor of 1.4 when it is applied to employees assigned a 24-hour work schedule.

- (7) The parties mutually agree to form a joint labor/management committee to discuss and make recommendations to the Director of Airports regarding the implementation of the Aircraft Rescue and Fire Fighting 24-Hour Work Schedule. The Labor/Management Committee will consist of three union representatives and three management representatives. The committee shall convene no later than December 31, 2001.

6.4 OVERTIME

a. Employees will be compensated only for overtime ordered by designated supervisory personnel.

b. Employees required to work in excess of eight (8) hours per day or forty (40) hours per week shall be compensated for such overtime with pay at one and one-half times the hourly rate or by compensating time off on the basis of one and one-half hours off for each hour of overtime worked. If the department is unable to schedule and grant time off within one (1) year from the date the overtime was performed, cash payment shall be made in lieu of compensating time.

c. All paid leave except sick leave shall be counted as time worked. Time worked in excess of (8) eight hours in a day shall not be counted in determining whether an employee has worked in excess of forty (40) hours in a week.

d. Part-time employees shall be compensated for overtime at their regular hourly rate or one (1) hour of compensating time off for each hour worked in excess of

their normal workday or week; provided, however, for work performed in excess of eight (8) hours per day or forty (40) hours per week, they shall be compensated as provided in Subsection b.

e. Employees who work overtime shall promptly and accurately report such time in the manner prescribed by the County.

f. Overtime shall be distributed fairly among employees insofar as circumstances permit.

g. The County agrees to make a reasonable effort to assign overtime work to Sanitation Workers, Collection Equipment Operators, Senior Collection Equipment Operators, Landfill Equipment Operators, Senior Landfill Equipment Operators, and Transfer Equipment Operators on a voluntary basis if practical. All overtime will be assigned at the beginning of the workday whenever reasonable and practical.

h. Regular employees required to work on a holiday shall receive, in addition to straight-time pay for holiday work, overtime compensation with pay at one and one-half times the hourly rate or by compensating time off on the basis of one and one-half hours off for each hour of overtime worked. Employees who are granted one (1) day off every four (4) weeks (H-day) in lieu of prescribed holidays shall be compensated pursuant to this subsection if they are required to work on a day which has been scheduled as a day off (H-day) in lieu of prescribed holidays.

i. The parties mutually agree that the appointing authority shall have the sole authority to schedule the use of accrued compensatory time off (CTO). Such scheduling shall be at the discretion of the division chief. The appointing authority will give employees five (5) calendar days' notice prior to scheduling CTO. The Department of Parks, Recreation and Open Space shall be exempted from the five (5) calendar days' scheduling notice. Parks and Recreation employees covered by this Agreement who report for their regularly scheduled shift shall be paid a minimum of two (2) hours of straight time pay if sent home on CTO as outlined in this Section (6.4-i.)

6.5 POLICY FOR EQUAL DISTRIBUTION OF OVERTIME, STANDBY AND CALL-BACK TIME

a. Purpose: This policy is established for equal distribution of overtime, standby and call-back time.

b. General Provision: Overtime work shall be distributed equally insofar as possible among qualified employees engaged in the same activities or any one class in accordance with the criteria established herein.

c. General: The County shall determine which employees are qualified for overtime based on the following factors:

- (1) Employee class.
- (2) Job location.
- (3) Experience related to task for which overtime is required.
- (4) Physical qualification required to perform the work.
- (5) Project assignment.
- (6) Shift.
- (7) Completion of started assignment.
- (8) Emergency.
- (9) Desire to work overtime.
- (10) Employee availability.

d. Practice: The qualified employee who has the least number of overtime hours to his credit shall work the overtime.

e. Overtime Hours to be Charged:

- (1) All hours worked as overtime.
- (2) Employees who are on "Controlled Leave" shall be excluded from the provisions of Section 6.5.

f. Distribution: The distribution of overtime shall be equalized over each six-month period beginning on the first day of the calendar month following the effective date of this Agreement. It is understood that the nature of certain work assignments does not easily permit equal distribution of overtime, and in such cases exceptions may be made to equal distribution. Such exceptions are to be identified by the County for each activity. Any disagreement between the Union and the County regarding the exceptions shall be resolved pursuant to the grievance and arbitration procedure.

g. Records:

- (1) Overtime records shall be made available to employees and authorized Union representatives.
- (2) Records shall show all hours worked during the preceding month and total cumulative hours.
- (3) Each activity, function, or organization element within which equal overtime distribution is considered feasible for identified groups of employees shall maintain appropriate records. The specific format of these records shall be determined by the appropriate level of management in charge of the activity but shall consist of a listing or

grouping of employees among which overtime is considered feasible or practicable.

6.6 STANDBY ASSIGNMENTS

a. Any employee who is required to remain on standby for emergency work shall be paid the equivalent of two (2) hours straight-time pay for each standby shift, whether or not he/she is called to work. A standby shift shall be eight (8) or less hours.

b. The employee who performs emergency work on standby duty shall be compensated therefore as overtime worked. A minimum of two (2) hours overtime compensation per shift shall be paid to an employee who is called back, in addition to the standby pay to which such employee is entitled pursuant to Subsection a. An employee who is notified of the need to respond to another emergency while still on-call shall be compensated as a continuation of time; it shall not be considered a second call-back subject to a separate two-hour minimum. If the employee has returned home and the two-hour minimum has elapsed, an additional call-back would be subject to a separate two-hour minimum. If the two-hour minimum has not elapsed, it will be considered a continuation of time, not subject to an additional two-hour minimum.

c. Any regular employee not on standby called in to work shall be compensated a minimum of two (2) hours pay at the overtime rate.

d. An employee on standby who is called in, while en route to work in a County vehicle, is not entitled to the two-hour minimum.

6.7 REST PERIODS

a. All employees may be allowed rest periods not to exceed fifteen (15) minutes during each four (4) consecutive hours of work.

b. An employee who misses a scheduled break may be allowed to take a break later during the four-hour work period. However, all rest periods shall be scheduled in accordance with the requirements of the department.

c. The appointing authority may designate the location or locations at which rest periods may be taken.

d. Rest periods shall be considered hours worked and employees may be required to perform duties, if necessary.

6.8 CHANGES IN SCHEDULED SHIFT OR DAYS OFF

Permanent employees shall be given at least five (5) workdays' notice prior to a change in their shift or days off. If an employee's shift or days off are changed without

the above notification, he/she shall be paid the overtime rate for all hours worked on the first day of the new shift. The notice requirement and overtime provision shall not apply to emergency assignments.

6.9 CHANGES IN WORK LOCATION FOR PERMANENT EMPLOYEES

- a. This section applies to permanent employees only.
 - (1) No permanent employee shall be permanently transferred between work sites without five (5) days' prior notice.
 - (2) No permanent employee shall be temporarily transferred without notice of at least one (1) day prior to said transfer, except in case of emergency.
 - (3) A temporary work site transfer of a permanent employee shall not exceed a period of thirty (30) working days.
 - (4) Transfer shall not include temporary assignment for a portion of a workday or days to a different work location.
 - (5) This section shall not apply to permanent employees who, due to the nature of their assignment, report to a different location on a regular basis.
 - (6) For purposes of this section, a change in work site means a significant change in report location (i.e., Downtown to Bradshaw, not Sheriff's Building to County Administration Building).
 - (7) If an employee's work location is changed without the above notification, he/she shall be paid the overtime rate for all hours worked on the first day of the assignment to the new work location.

6.10 WORK SCHEDULE FOR FIRE OPERATIONS WORKERS

The work schedule for Fire Operations Workers will be posted ten (10) days prior to the beginning of each new schedule.

Except as otherwise provided, any person appointed to a class shall receive the entry step of the ranges of such class and shall accrue other benefits as a new employee.

- (iii) Employees in salary Step "4" will be moved to salary Step "6" with a new step increase date of July 2, 2000.

b. Reemployment: Any person appointed in accordance with the rule governing reemployment following layoff shall receive compensation and benefits as though he or she had been on leave without pay.

c. Reinstatement: Any person appointed in accordance with the rule governing reinstatement following resignation in good standing shall be considered a new employee. At the discretion of the appointing authority, a reinstated employee may receive a starting salary higher than Step "2", but not exceeding the step that he or she received at the time of resignation.

d. Return to Former Class: An employee who is returned to a former class following promotion, transfer, or demotion due to layoff, shall receive that step of the range which he or she would have received had he or she never left the former class.

e. Promotion: Upon promotion an employee shall receive the lowest step in the new class which provides an increase of at least five percent (5.0%). Extra-help employees shall be placed at the lowest step of the new class.

f. Transfer: Upon transfer an employee shall receive the same step in the new range as he or she received in the former range. For purposes of this provision, a transfer is a change between classes when the maximum salary range of the class to which the transfer is made is less than five percent (5.0%) higher or is less than five percent (5.0%) lower.

g. Demotion: A demotion is a change to a class which has a maximum salary rate which is at least five percent (5.0%) lower than the maximum salary rate of the former class. Whenever an employee is demoted due to layoff, without cause or inability on his or her part, his or her salary shall be that step in the new range which provides an equal salary, or in the absence thereof, the nearest lower salary, to that received prior to the demotion. In all cases of demotion for cause, the employee shall receive the same step in the lower range as he or she received in the higher range. An employee with permanent status in a class who, with the approval of the appointing authority, voluntarily demotes to a lower class shall receive the step in the lower range which provides an equal salary or, in the absence thereof, the nearest lower salary to that which was received prior to demotion.

h. Return from Leave Without Pay: Return following leave without pay is not an appointment, but is a continuation of service; however, salary and benefits, other than employment status, shall be based on actual service. This provision shall not apply to employees returning from military leave.

i. Y-Rate: The Board of Supervisors may adopt a Y-rate to apply to: (1) an employee who would suffer an actual decrease in salary as a result of action taken by the County, without fault or inability on the part of the employee, or (2) an employee who is changing from one (1) class series to another, as a normal consequent of career development through the County's upward mobility program, and the salary of the class the employee enters in the new class series is less than the salary the employee was receiving in the former class. A Y-rate means a salary rate, for an individual employee, which is greater than the established range for the class.

j. Y-Rate Salary Increase: An employee for whom a Y-rate is established shall not receive any increase in salary until such time as his or her rate of compensation

is within the established range for his/her class, at which time the employee shall receive the highest step of the range. The employee shall receive a proportionate decrease in salary whenever a lower range is established for the class in the Agreement.

k. Granting of Status: Whenever the Civil Service Commission or other appropriate authority grants an employee direct status in another class, the employee shall receive the step determined in accordance with the provisions of this section.

l. Class Salary Range Changes: When the salary range for a class is changed in the Agreement, employees in the class shall change to the new range but shall remain at the same step. When changes in an employee's class or salary, or both, occur simultaneously with salary range adjustments in the Agreement, the employee changes shall precede the Agreement adjustments in application.

j. Supervisors shall prepare and post for their organizational units a schedule of available vacation periods based on efficient staffing of the unit in relation to estimated workload. Each employee shall indicate by order of preference the vacation period(s) desired. b. A regular employee who is unable to perform any appropriate work assignment because of disability incurred in the performance of assigned duties shall be entitled to the following disability leave benefits, in addition to those provided pursuant to the California Worker's Compensation Insurance Act:

- (1) During any period of disability for which payment is not provided under worker's compensation insurance, the employee shall be placed on disability leave with pay to the extent of any leave with pay which he/she has accrued. Such disability leave with pay shall be charged against the employee's accrued leave with pay;
- (2) During any period of disability for which payment is provided under Worker's Compensation Insurance, the employee shall elect to either:
 - (a) Retain any worker's compensation benefits received during the pay period and receive full pay. The employee shall use their accrued sick leave, vacation, CTO and HIL on an hour-for-hour basis to cover all hours the employee is absent from duty due to the work-related disability during the applicable pay period. Or,
 - (b) Retain any worker's compensation benefits received during the pay period and receive a partial paycheck in an amount so that the partial pay and the worker's compensation benefits added together are equivalent to the employee's full pay. The employee shall use their accrued sick leave, vacation, CTO, and HIL in an amount equal to one-half of the number of hours the employee was absent from work during the pay period due to the work-related disability. If, however, the amount of the worker's compensation benefits is subtracted from the employee's full pay for the time off due to the disability, and the remainder is less than one-half of the amount of such full pay, then only the number of leave balance hours necessary to equal that remainder shall be charged.

c. All disability leave provisions of this section shall terminate when the employee uses all accrued sick leave, vacation, CTO, or HIL balances, or upon the date of the employee's recovery from disability, receipt of permanent disability under worker's compensation insurance, retirement, termination from County employment or death.

9.7 JURY DUTY

a. A regular employee shall be allowed such time off with pay as is required in connection with jury duty; provided, however, that payment shall be made for such time off only upon remittance of full jury fees, or upon submittal of acceptable evidence that jury fees were waived.

b. Such employee shall notify his/her appointing authority immediately upon receiving notice of jury duty.

c. An employee who takes vacation or compensating time off while on jury duty shall not be required to remit or waive jury fees in order to receive his/her regular salary.

9.8 TIME OFF FOR PROMOTIONAL EXAMINATIONS AND TRANSFER INTERVIEWS

a. Regular employees shall be released from duty without loss of compensation while competing in County civil service examinations that are scheduled during duty hours.

b. Whenever an employee has an appointment to appear for a transfer interview, the employee shall be released from duty without loss of compensation while being interviewed during normal work hours. Every effort should be made to schedule transfer interviews at times that minimize interference with County operations.

9.9 MATERNITY LEAVE OF ABSENCE

An employee's request for leave of absence without pay during or after childbirth shall be granted. Such leaves shall not exceed six (6) weeks from date of delivery unless otherwise medically determined.

9.10 ASSIGNMENT OF LEAVE FOR CATASTROPHIC ILLNESS AND OTHER PURPOSES

Regular employees shall be eligible to participate in the County's program of assignment of leave for catastrophic illness and other purposes. The County will provide the Union a copy of the standardized County Policies and Procedures regarding the implementation of this program.

9.11 PARENTAL LEAVE

a. Each regular County employee with at least one (1) year of continuous service shall be entitled to schedule paid parental leave upon the birth of the employee's child or during the process of an adoption of a minor child by an employee. In the case of adoption, the entitlement shall arise upon both: (1) the placement of the child in the employee's home and (2) the employee initiating or having completed an adoptive home study for the adoption of the child. The purposes of parental leave are to facilitate parental bonding, family adjustment, and child care, and such leave shall be used consistent with these purposes.

b. Parental leave shall be approved by the employee's appointing authority, except where the granting of the parental leave request would unduly interfere with or cause severe hardship upon department operations. Wherever possible, departments shall make reasonable accommodations to permit parental leave, either on a full-time or part-time basis.

c. The maximum paid parental leave for full-time regular employees shall be 160 hours. Parental leave shall be prorated for part-time regular employees. Parental leave shall not extend beyond four (4) months from either: (1) the date of birth of the employee's child, or (2) in the case of adoption, the initial date of residence of such child with the employee. The maximum 160 hours shall apply to each birth or adoption, regardless of the number of children born (twins, triplets, et cetera) or adopted.

d. Parental leave is separate and distinct from the use of sick leave for pregnancy, since it is not based upon disability. Parental leave is available to be scheduled at the conclusion of the use of sick leave for pregnancy.

e. Employees must make a written request to use parental leave. The written request shall be made at least thirty (30) calendar days prior to the anticipated start of the parental leave, except in cases of an unanticipated early childbirth or adoption, in which case the employee shall make the written request with as much advance notice as possible. The written request shall also provide such information or substantiation as may be required by the Director of Personnel Services.

f. An employee who while on parental leave is incapacitated for one (1) or more days due to personal illness or injury may charge such days to sick leave. In such event, the employee promptly shall notify their department, and shall submit substantiation of the need for, and use of, sick leave.

g. Use of parental leave does not reduce or adversely affect the maximum one (1) year unpaid leave of absence that an employee may request for child care or family reasons following the birth or adoption of a child.

9.12 WELLNESS/SICK LEAVE INCENTIVE PROGRAM

a. Effective with Pay Period #1, beginning January 1994, the County shall establish a Wellness Incentive Program. Eligible full-time regular employees who use twelve (12) hours or less of sick leave in Pay Periods #1 through #13 of any year shall receive a Wellness Certificate enabling them to take eight (8) hours off with pay during the following six-month period. Eligible full-time employees who use twelve (12) hours or less of sick leave in Pay Periods #14 through #26 of any year shall receive a certificate enabling them to take eight (8) hours off with pay during the following six-month period. The certificate shall have no monetary value.

b. Regular employees must be continuously on the County payroll and eligible to earn and use sick leave during the entire 26-week period from Pay Period #1 through #13, and from Pay Period #14 through #26. Any employee on an unpaid leave of absence during a portion of the designated 26-week period is excluded for that time period. Any employee during the designated 26-week period who receives pay pursuant to Labor Code Section 4850 or who receives SDI integration pursuant to Section 10.4 or who selects the disability leave option pursuant to Section 9.7, is excluded from participation for that time period. Any employee who was temporary and transferred to a permanent position during the designated 26-week time period is excluded for that time period.

c. Part-time regular employees who work forty (40) or more hours per pay period shall be eligible to participate in the Wellness Incentive Program. The same eligibility rules as outlined in Subsection b. above shall apply. However, the maximum amount of sick leave allowed for a part-time employee to use in Pay Periods #1 through #13, or in Pay Periods #14 through #26, shall be prorated. This means for a half-time employee the maximum sick leave that may be used is six (6) hours; for a four-fifths employee, the maximum would be nine (9) hours. The amount of time off received by the qualifying part-time employee shall also be prorated. This means a half-time employee would receive a certificate for four (4) hours time off, and a four-fifths employee would receive a certificate for six (6) hours time off.

d. This program does not restrict an employee's ability to use sick leave as authorized by Section 9.3 of this Agreement.

e. The County shall provide the Union with a copy of the County Policy and Procedure necessary to implement the County's Wellness Incentive Program as outlined above.

ARTICLE X HEALTH AND WELFARE

10.1 MEDICAL INSURANCE AND HEALTH PLAN

a. The County shall pay for each full-time regular employee and each part-time regular employee who works forty (40) hours or more per biweekly pay period up to the Kaiser Foundation Health Plan premium for employee and dependent coverage. If the cost of the coverage exceeds the maximum County contribution, the employee shall pay the additional cost.

b. The County contribution shall be applicable to either "employee and dependent" coverage or to "employee only" coverage. If the cost of the coverage exceeds the maximum County contribution, the employee shall pay the additional cost.

c. The County shall provide employees with at least the following medical plan options:

Kaiser Foundation Health Plan VG2
A health maintenance plan
A health plan with a point of service (POS)
A catastrophic health plan

d. Each medical insurance or health plan provides for coordination with Medicare coverage. An employee who participates in a plan is subject to the requirements of that plan, including provisions relating to Medicare. The County is not responsible for the replacement of benefits that may be reduced, eliminated, or made more expensive as a result of coordination with Medicare. County contributions are not payable toward contributions an employee is required to make to the Federal Government for Medicare coverage.

e. Cash-Back Feature: Employees hired prior to October 11, 1998, with medical insurance or health plan coverage whose premium rate is less than the County contribution as set forth in Subsection a. above shall receive an additional cash payment. For such employees who are covered by social security (FICA), this cash payment will equal the amount of the applicable maximum County contribution set forth in Subsections a. above, minus the cost of the premium rate for the employee's medical insurance or health plan coverage, minus a percentage equal to the County's social security contribution rate on FICA taxable wages, and minus any County costs (excluding FICA) which are applicable to such cash payment, if any. For such employees who are not covered by social security, the cash payment will be calculated in exactly the same manner, except there will be no deduction of the percentage equal to the County's social security contribution rate on FICA taxable wages. Employees hired on or after October 11, 1998 shall not receive this additional cash payment. Employees eligible for cash back benefits shall be grandfathered for the duration of their continuous employment history with the County of Sacramento. Such cash back benefit shall be a vested right.

f. The County shall have the right at its sole discretion, after notice to the Union, to move from a two to three-tier health insurance premium structure.

g. The Union agrees with the Consultant's recommendations in the 2000-01 Health and Welfare Review to increase the County-sponsored HMO's to match the PERS 2002 HMO office visit and prescription drugs co-payments effective January 1, 2002.

h. The County shall have the right to further increase the HMO office visit and prescription drug co-payments effective January 1, 2005, based on the accumulative percentage increase of premium increases for employees with dependent coverage for the Kaiser Foundation Health Plan for the period January 1, 2002 to January 1, 2005. (For example, if the accumulated percent increase on the Kaiser premium for the three-year period were 30% (\$500 January 1, 2002 to \$650 January 1, 2005), a \$10 co-payment could be increased by \$3 (\$10 x 30%) to \$13.)

10.2 DENTAL PLAN

a. The County shall provide at its expense to each regular employee who works forty (40) or more hours per pay period the following dental benefits for the employee and the employee's eligible dependents*:

- (1) A deductible of \$25 per patient per calendar year. When three (3) members of a family have each met a \$25 per patient deductible, no deductible shall be required of other family members during that calendar year. The deductible shall not apply to two (2) prophylaxes and one (1) dental examination per patient in any calendar year.
- (2) There shall be no deductible for any calendar year following two (2) consecutive calendar years during which such person is continuously eligible and in each of such years has utilized the prophylaxes benefits twice each calendar year.

NOTE: Dependents eligible for benefits are: (1) Lawful spouse; (2) Unmarried children (including step children, adopted children and foster children provided such children are dependent on the employee for support and maintenance) to their 19th birthday, or their 24th birthday if they are enrolled at an accredited institution of learning; (3) An unmarried child who has reached his/her 19th birthday but is incapable of self-support because of physical or mental incapacity that commenced prior to his/her 19th birthday, provided a physician's certificate of such incapacity is submitted to the County Insurance Administrator within six (6) months following his/her 19th birthday or the employee's date of eligibility in the County Dental Plan; (4) If both spouses are eligible employees they must each be enrolled as employees, and their children must be enrolled only under the parent whose birthday (excluding year of birth) occurs earlier in the calendar year; (5) Dependents in military service are not eligible.

- (3) Each calendar year thereafter, no deductible will be required for persons who qualified under Subsection a.(2) above, provided they continue to satisfy the preventive dental maintenance care of two (2) prophylaxes each calendar year.

- (4) Persons will be ineligible for the waiver of the deductible if they fail to have the prescribed maintenance care in any calendar year and must repeat the requirements as set forth in Subsection a.(2) to again qualify for no deductible.
- (5) The dental benefits payable are to be computed at 100% of the Table of Allowances. The Table of Allowances will be based on actual claims' history of the previous period October 1 to and including September 30, and will represent approximately 80% of the overall average dental charges to persons covered under the County's dental program for that twelve-month period.
- (a) In order to preserve the 80% concept, the Table of Allowances will be reviewed annually and revised, if necessary, on an annual basis. Reviews will cover the annual period October 1 to and including September 30, and revisions will be effective the first of each calendar year thereafter.
- (b) The County may make necessary and appropriate adjustments to individual allowances for each procedure in order to preserve the 80% concept, except adjustments shall not be permitted below the first-year base.
- (c) If it is determined, after an annual review, that the County's Dental Plan paid less than 79% of the overall average dental charges to persons utilizing the Sacramento County Dental Plan, the revised Table of Allowances shall contain a penalty factor which would increase the Table of Allowances to reflect the same percentage points over 80% in direct proportion to the percentage points under 80% rounded to the nearest whole number. As an example, if the plan paid 74% for the period October 1 to and including September 30, the penalty factor would increase the revised Table of Allowances, effective January 1 of the following calendar year, to 86%. In the event the revised Table of Allowances did not reflect an 86% benefit as determined by the next annual review, the penalty factor would be adjusted in the next Table of Allowances to reflect the miscalculation, rounded to the nearest whole number. As an example, if the next annual review indicated the plan paid 83% rather than 86%, the next Table of Allowances would continue the penalty factor of 3% so that the plan would be designed to pay 83%. The penalty factor would continue in this manner until it is within 1% of the 80% concept. In no event will the penalty factor be used to reduce the Table of Allowances below 80%.

- (6) Additional dental benefits under the County's Dental Plan shall include the following:
- (a) The County will pay 50% of the total and actual costs of orthodontic care but not to exceed a County payment of \$750 per-patient lifetime maximum.
 - (b) Dental accidents paid at 100% of actual charges, without application of deductible and is not subject to the \$1,500 maximum.
 - (c) The plan contains a per-patient calendar year maximum of \$1,500, except for the \$750 per-patient orthodontic lifetime maximum and for the accident benefit.
 - (d) Effective January 1, 1999, the per-patient calendar year maximum shall be \$1,750, and the orthodontic lifetime maximum shall be \$875. Effective January 1, 2000, the per-patient calendar year maximum shall be \$2,000, and the per-patient orthodontic lifetime maximum shall be \$1,000.
- (7) The plan document was designed after the Valley Clerks Trust Dental Care Program.
- (8) Upon request, the County will make available to recognized employee organizations for inspection the actual dental claims experience used in the annual review or other pertinent periodic tabulations.
- (9) Dental benefits will be coordinated with dental benefits provided by any other plan under which the patient is insured, in accordance with the usual established rules covering coordination of benefits as outlined by the California State Insurance Commissioner.
- (10) It is understood and agreed by the parties hereto that this section is a continuation of the pre-existing dental plan and that, under the said pre-existing dental plan, a penalty factor of 0% was in effect for the calendar year 1983. It is the intent of this Agreement to continue to make annual penalty factor adjustments, as may be necessary so as to preserve the intent of the original plan.
- (11) The County agrees to provide dental plan pamphlets, including the revised Table of Allowances, to the Union and all employees covered by the dental plan on an annual basis.

10.3 LIFE INSURANCE

a. Basic Benefit: Effective the full pay period following Board of Supervisors' approval of total tentative agreement, the County will increase the basic life insurance benefit from \$2,000 to \$15,000 for employees, and from \$2,000 to \$5,000 for dependents.

b. Living Benefit: Effective the full pay period following Board of Supervisors' approval of total tentative agreement the life insurance benefit will include a "living benefit", the claimant must be under the age of 70; be diagnosed terminally ill (with life expectancy of 12 months or less); not have assigned his or her employee life benefits; and not have a court order in force which affects the payment of life insurance benefits.

c. The life insurance benefit will pay a benefit of up to 50% of the combined basic and any supplemental life amounts. The maximum amount is \$50,000 and the minimum is \$7,500. Should the employee recover, the amount paid under this provision would be subtracted from the face amount of his/her full benefit at the time of death.

d. The current premium rate schedule will be deleted from the Agreement. An updated rate schedule will be published annually by the County Insurance Office and made available to employees and employee organizations during the month of December.

e. The County shall provide a second option to permit employees to elect a second additional amount equal to annual salary so that the total amount of provided and purchased life insurance will equal twice the total first option. Premium rates for the second option shall be determined by the County based on the quotation from the insurance carrier selected by the County to provide the life insurance.

f. If employee selects the first option, \$1,000 life insurance is provided for each dependent (\$200 from age fourteen [14] days to six [6] months) in addition to the amount of insurance applying to the employee at no additional cost.

g. The County may adjust insurance premiums and amount of insurance on a single date each year for all employees, rather than throughout the year as changes occur in age and salary.

h. The County may agree with the life insurance carrier that the waiver of premiums for life insurance coverage of disabled insured persons, who otherwise maintain eligibility, shall be continued for one (1) year following the determination by the insurance carrier that the insured is totally disabled and entitled to such a waiver.

i. The County shall have the right to modify the deductions for life insurance from each biweekly pay period (26 times per year) to the first two (2) pay days of every month (24 times per year). Should the County implement this deduction schedule, it will notify the Union thirty (30) days in advance of the new premium rates, and amend the schedule in Subsection a. accordingly.

10.4 STATE DISABILITY INSURANCE

a. The County shall maintain State Disability Insurance, at employee cost, for employees in classes covered by this Agreement.

b. Employees who are absent from duty because of illness or injury and have been authorized to use County-paid leave benefits, sick leave, vacation, compensating time off, holidays and holiday-in-lieu time, shall be eligible to integrate the payment of State Disability Insurance benefits with such County-paid leave benefits. No integration of County-paid leave benefits and State Disability Insurance shall occur unless the appointing authority has approved the use of the County-paid leave benefits by the employee requesting integration.

c. Integration of County-paid leave benefits with State Disability Insurance will require detailed procedures which the County shall, in its sole discretion, implement to ensure the equitable application of the program consistent with this Agreement provision. Integration of County-paid leave benefits and State Disability Insurance is an exception to current County policy which otherwise requires that County-paid leave benefits be used to cover all hours of work an employee is absent from duty. In accordance with current County policy, integration of County-paid leave balances and State Disability Insurance shall not be paid in a retroactive manner.

d. Integration of County-paid leave balances and State Disability Insurance shall take place subject to the following conditions:

- (1) The intent of this program and contract provision is to insure that those employees who participate in the program comply with all applicable laws, policies, and procedures established to provide integration of County-paid leave balances and State Disability Insurance so as to provide a combined biweekly adjusted net income equivalent to 100% of regular net income - gross income less required deductions, such as taxes, retirement, State Disability Insurance premiums, and other mandatory deductions - as long as such eligible disability qualifies and available leave balances are authorized by the appointing authority. Other employee authorized deductions shall be deducted from the resultant net pay. 100% integration will commence on August 12, 1990.
- (2) Upon approval of the use of County-paid leave benefits by the appointing authority and the employee's established eligibility for State Disability Insurance, the County shall make leave accrual payments to the employee in the usual manner except that the net pay, including State Disability Insurance benefits and net County pay, shall not exceed 100% of the regular net pay. If State Disability Insurance benefits equal or exceed 100% of the regular net pay, no County payment shall be made. County-paid leave benefits shall be

used in the following order: sick leave, vacation, compensating time off, and holiday-in-lieu time.

- (3) Special pay allowances not of a permanent nature, such as overtime compensation, standby, night-shift differential, call back or out-of-class pay, shall not be counted in determining the employee's gross or net pay.
- (4) Sick leave, vacation, and holiday-in-lieu shall not accrue during any pay period in which the employee receives County-paid leave benefits integrated with State Disability Insurance payments, except that the employee shall accrue sick leave, vacation, and holiday-in-lieu for any actual hours worked during a pay period in which integration occurs. Service credits toward seniority and step increase eligibility shall not be affected by any pay period during which an employee is on the integrated leave and State Disability Insurance Program.
- (5) When an employee exhausts all available County-paid leave balances, the employee shall either return to work or request an unpaid leave of absence from his/her appointing authority. Regardless whether the employee continues to receive State Disability Insurance payments, once all County-paid leave balances are exhausted, County compensation shall cease unless the employee returns to work.
- (6) The County shall continue its contributions towards the employee's health, dental, life and retirement contributions in accordance with established laws and practices during the pay periods which include County payment for integrated leave balances. The employee shall be responsible for payment of premiums required to maintain medical insurance coverages when County contributions cease.
- (7) Eligible part-time employees shall be included in this program on a prorated basis.

e. In the event the County determines that legislative or judicial determinations cause changes which in any way restrict, reduce or prohibit this program operation, it shall immediately and automatically terminate without any further action by either party to this Agreement. In the event of such termination, the County will, upon the request of the Union, meet and confer to negotiate a mutually acceptable alternative.

10.5 EMPLOYEE ASSISTANCE PROGRAM

a. The County will make an Employee Assistance Program (EAP) available to regular employees who normally are scheduled to work forty (40) or more hours per pay period. The EAP will provide personal counseling for employees and/or members of their immediate families. The counseling is intended to assist employees and family

members who are experiencing personal problems such as family/marital problems, personal/emotional problems, substance abuse problems, and work-related problems.

b. "Members of employees' immediate families" consist of and are limited to the employee's spouse, the employee's or employee's spouse's children or adopted children who are unmarried and under the age of nineteen (19) who are covered under the County's Dental Plan.

c. The County will pay the cost of the counseling it has made available, not to exceed 360 minutes (six [6] sessions of approximately one [1] hour each) per calendar year for each employee and each covered family member. Participation in the Employee Assistance Program shall be confidential unless written consent is given by the employee or family member.

d. It is understood that the County intends to provide the service through an independent contractor. The County may from time to time in its sole discretion change from one contractor to another.

10.6 FLEXIBLE SPENDING ACCOUNT

a. The County will expand the Flexible Spending Account which currently provides employees with the options of Premium Reduction and Dependent Care Assistance, to include Unreimbursed Medical Expenses, with a calendar year maximum of \$1,000.

b. The County will offer the Unreimbursed Medical Expense feature following an open and public Request for Proposal (RFP) process which shall be conducted in the first quarter of 1998, with final implementation to be determined by the Board of Supervisors.

ARTICLE XI RETIREMENT PLAN

11.1 RETIREMENT PLAN MODIFICATIONS

a. The County may any time after July 1, 1981, modify the current miscellaneous retirement plan to provide that:

- (1) New employees hired after a date to be established by the County shall have retirement benefits computed in accordance with Section 31462 of the County Employees' Retirement Law of 1937 which uses three-year final average salary figures.
- (2) The County may, for those same employees, eliminate the application of mandatory cost-of-living provisions in Article 16.5 of the Law. It is understood that from time to time when new

employees become eligible for benefits under the plan modifications the County Board of Retirement may, financial limitations permitting, grant a cost-of-living adjustment as they in their discretion deem prudent.

- (3) The County, may for those same employees, adopt the provisions of Section 31727.7 of the Law relating to a graduating benefit scale for non-service connected disability retirements.
- (4) The County may after July 1, 1981, on the date established for bringing new employees under the provisions of Section 31727.7 of the Law, also bring all employees in classes in the unit under the provisions of Section 31727.7 of the Law.

b. The Union agrees to participate with the County in seeking legislative amendments to the County Employees' Retirement Law of 1937 which would result in saving through reductions in contributions to the miscellaneous plan.

c. Currently, certain changes or reductions in retirement costs and benefits, as well as issues related to social security involving employees in the safety retirement plan, are the subject of separate negotiations distinct and apart from this Agreement. The parties to those negotiations are the Union, the Sacramento County Deputy Sheriffs' Association (representing the Law Enforcement Miscellaneous Unit and the Non-Supervisory Law Enforcement Unit) and the County. The County may implement those changes necessary to insure uniform application of safety retirement or social security modifications for all safety retirement plan members in all units.

11.2 RETIREMENT TIER 3

a. Effective the pay period beginning June 27, 1993, the County shall establish a new retirement tier. This new retirement tier 3 shall be the same as the existing tier 2, except that tier 3 shall have a 2% post-retirement cost-of-living adjustment factor pursuant to Government Code Section 31870, whereas tier 2 has no post-retirement cost-of-living adjustment factor.

b. Employees hired prior to June 27, 1993, who are members of tier 2, shall be given a one-time opportunity to transfer to tier 3. These employees who elect to transfer to tier 3 also transfer their prior service credit in tier 2 to tier 3 with no additional employee contributions being required for the transfer of this prior service.

c. The above employees shall be given a period of sixty (60) calendar days to submit in writing to the County their election to transfer to tier 3. The employee's election to transfer to tier 3, or failure to elect to transfer to tier 3 and remain in tier 2, shall be irrevocable and shall apply to all periods of future service.

d. Employees hired on June 27, 1993, or after, shall upon hire be placed into tier 3.

11.3 DEFERRED COMPENSATION - TEMPORARY EMPLOYEES

a. An employee covered by this Agreement who is not a member of, or currently earning benefits under, the Sacramento County Employees' Retirement System shall become a participant in the Deferred Compensation Plan set forth in County Code Sections 2.83.200 through 2.83.360.

b. The employee shall contribute 3.75% of his or her compensation for any period of service performed for the County while a participant in this plan. The County shall additionally credit an amount equal to 3.75% of the employee's compensation to the investment account maintained for each participant.

c. The Deferred Compensation Plan and participation by the County and specified employees described above is in lieu of each party paying FICA taxes as permitted by Internal Revenue Code Section 3121(b)(7)(f).

11.4 SAFETY RETIREMENT TIER 2

a. Effective the beginning of the pay period of agreement, the County shall establish a new safety retirement tier. This new safety retirement tier, Tier 2, shall have a post-retirement cost-of-living adjustment factor pursuant to Government Code Section 31870 to a maximum annual 2% per year and a final compensation calculated on the basis of three years pursuant to Government Code Section 31462. In all other aspects, Tier 2 safety shall be identical to Tier 1 safety.

b. This new safety retirement Tier 2 shall not apply to employees hired prior to the effective date of this section as mentioned above in Section 11.4-a., with a SCERS entry date prior to the above-mentioned date.

c. All eligible employees hired on or after the effective date mentioned in 11.4-a. shall be placed into Safety Retirement Tier 2.

d. Employees in both Safety Retirement Tier 1 and Tier 2 shall have the benefits for non-service connected disability computed as prescribed by Section 31727.7 of the County Retirement Law of 1937.

11.5 RETIREMENT ENHANCEMENT FOR MISCELLANEOUS

a. Effective June 27, 2004, or sooner if agreement reached with all other recognized employees organizations representing miscellaneous members, the County will implement the 2% @ age 55-1/2 plan and employee purchase of prior service credits to a maximum of four years. The election to purchase shall be open ended with the employee purchase of the employee's share, County's share and accumulated interest.

b. Waiver of negotiations of safety retirement enhancements and acceptance of same agreement, including reduction in CPI salary increase, negotiated with recognized safety employee organizations.

c. Reduction in CPI salary increase of 3.0% to offset increased retirement costs for miscellaneous members effective with the implementation date of retirement enhancement. If the CPI increase is less than 3.0%, the CPI for the next year will be further offset for the difference so that the total offset is 3.0%.

ARTICLE XII ALLOWANCES AND REIMBURSEMENT

12.1 UNIFORM ALLOWANCE

a. Effective July 1, 2001, employees who are required to furnish and wear uniforms in the performance of their duties shall be reimbursed by the County up to a maximum per fiscal year as provided below:

- (1) Fire Operations Worker - \$750 per year (covers all clothing, boots and jackets)
- (2) Airport Operations Workers - \$230 per year
- (3) All Others - \$230 per year

b. The employee will be required to provide proof of purchase of the uniform prior to reimbursement. The County will make a reasonable effort to reimburse employees no later than thirty (30) calendar days after the employee provides proof of purchase of the uniform. Any amount of purchase that exceeds the maximum annual amount shall be the responsibility of the employee and not eligible for reimbursement.

c. If the County requires employees to provide additional items of uniform clothing, the initial cost shall be borne by the County. This provision shall not apply to revisions which employees are permitted to phase in as current uniforms wear out.

12.2 UNIFORM CHANGES

Employees in the Department of Public Works and the Department of General Services who are furnished uniforms by the County shall be provided five (5) uniform

changes per week. The departments outlined herein shall have sole and total discretion in determining the type of uniform and replacement uniforms provided.

12.3 COLD WEATHER GEAR (JACKETS) - PUBLIC WORKS

Employees in the Department of Public Works who, as of October 1, 1993, are furnished five (5) uniform changes per week shall, effective as soon as possible, but no later than the first pay period of March 1994, be provided jackets. The employees provided said jackets shall be required to wear the jackets at any time an employee chooses to wear any garment over his/her uniform. If the jacket is lost, the employee will be required at his/her cost to replace the jacket. The jackets will be replaced at the discretion of management when necessary due to wear and tear. a. If an employee is absent without leave for five (5) consecutive workdays, such employee shall be required to submit a written statement to his/her appointing

authority stating that he/she desires to retain his/her employment. If the employee fails to submit such a written statement to the appointing authority within two (2) workdays after written notice of the written statement requirement has been served on the employee, such failure shall constitute an automatic resignation from County service. The foregoing does not preclude the appointing authority from taking disciplinary action.

b. The written notice to the employee may be personally served or it may be served by mail to the last known address of the employee and is complete on mailing. The last known address shall be deemed to be that address which is within the personnel file of the employee within the department to which he/she is assigned.

c. The written statement of the employee must be either personally handed to the appointing authority or delivered to the appointing authority by registered mail return receipt requested.

d. A permanent employee may, within fifteen (15) calendar days of the effective date of such separation, file a written request with the appointing authority for reinstatement. Reinstatement may be granted only if the employee makes a satisfactory explanation to the appointing authority as to the cause of his/her absence and his/her failure to obtain leave therefore, and the appointing authority determines that he/she is ready, able and willing to resume the discharge of the duties of his/her position or, if not, that his/her appointing authority consents to a leave of absence to commence upon reinstatement.

15.6 DISCUSSION OF ALTERNATIVES TO LAYOFF

a. If it becomes necessary for the County to have a reduction of force, the parties mutually agree to discuss alternatives to layoff. Such discussions may include reduced workweek, leaves of absence, voluntary layoffs, and/or other issues which may minimize mandatory layoffs.

b. The Union shall give notice of its intention to discuss alternatives to layoff immediately upon notification to the Union that layoffs are necessary. The parties, upon discussion, will make every effort to reach agreement within the fourteen-day notice of layoff period required in the layoff provisions of this Agreement. This provision shall not limit the County's right to layoff employees following the fourteen-day notice requirement of the layoff provisions of this Agreement.

15.7 PERSONNEL FILES

a. For the purposes of this section, personnel file shall mean the employee's departmental personnel files and in those divisions which keep separate division personnel files, such division personnel files.

c. When the County finds it necessary to issue an employee an incident report documenting an incident or accident, or to issue a letter of counseling or letter of warning or letter of reprimand to an employee, the County will follow the following procedure:

- (1) Afford the employee, if available, an opportunity to read and sign the report or letter before it is placed in his/her personnel file.

15.8 UNION WAIVER

The Union agrees, without further action by the County or the Union, to waive its right, if indeed there is such a right, to negotiate decisions, procedures, and rules of the Civil Service Commission and the Board of Retirement, so long as any action taken by such Board or Commission takes place after a public hearing, during which the Union may testify; and changes to the Employee Relations Ordinance which prohibit recognized employee organizations from representing both a supervisory and a non-supervisory unit, and/or restrict a law enforcement employee organization from representing non-law enforcement units.

15.9 JOINT LABOR-MANAGEMENT COMMITTEE

a. In order to encourage open communication, promote harmonious relations, and resolve matters of mutual concern, the parties agree to create a joint labor-management committee. The committee will be governed by the following:

- (1) The committee will meet every other month or more often if mutually agreed to by the parties.

- (2) The agenda for each meeting will be decided five (5) working days in advance of the meeting, unless otherwise mutually agreed to by the parties.
- (3) The County will release a reasonable number of officially designated Union stewards for attendance as needed at the meetings. The number of stewards in attendance will be mutually agreed upon before each meeting.
- (4) This section is not grievable within the meaning of the grievance procedure as defined in Article V of this Agreement.

15.10 ASSIGNMENT OF SENIOR COLLECTION EQUIPMENT OPERATORS TO BACK-UP ASSIGNMENTS OR "JUMPING TRUCKS"

a. This language applies only to those employees in the classification of Senior Collection Equipment Operator who are assigned to work back-up assignments on automated residential collection routes or commercial routes. A back-up assignment is one designated by management where the assignment of a route can vary from day to day, and the employees assigned to such a route do not have a route assigned that they work regularly. The selection process outlined below applies only to the designated back-up assignments and does not apply to any other assignment of personnel; nor does the selection process limit the department's ability to assign, move, transfer, temporarily upgrade pursuant to Section 7.6 of the Agreement or otherwise utilize personnel within the Waste Management and Recycling Division to accomplish the mission of the Department.

- (1) On the third Monday in March, June, September, and December of each year, the Department will designate employees who will work back-up assignments.
- (2) The first group of employees to work back-up are those who on March 1, June 1, September 1, or December 1 are on "controlled leave." Controlled leave is defined in the memo of August 7, 1992, from Douglas M. Fraleigh titled Controlled Sick Leave Guidelines.
- (3) If any back-up assignments remain after those on controlled leave have been assigned, they will be filled by employees in the classification of Senior Collection Equipment Operator based on inverse seniority in the classification of Senior Collection Equipment Operator, i.e. least seniority first, (excluding those on controlled leave already assigned).
- (4) Probationary employees in the classification of Senior Collection Equipment Operator, unless otherwise assigned by the appointing authority, will not be included when determining the seniority list for purposes of assignment to back-up routes.

- (5) Example: On March 1, there are twelve (12) back-up assignments. There are eight (8) Senior Collection Equipment Operators on controlled leave. These eight (8) would be assigned back-up assignments. The six (6) least Senior Collection Equipment Operators have seniority as follows:

- (a) 1 year, 2 months
- (b) 1 year, 3 months
- (c) 2 years, 1 month
- (d) 2 years, 8 months
- (e) 2 years, 10 months
- (f) 3 years

Employees (a) – (d) above would be assigned to back-up assignments. Employees (e) and (f) would not be assigned back-up assignments.

- (6) Employees assigned to back-up assignments pursuant to (1) - (5) above, stay in the assignments for a three-month period.
- (7) This procedure will become effective on December 1, 1993.

ARTICLE XVI SENIORITY, LAYOFFS AND REEMPLOYMENT

DIVISION A APPLICATION-PURPOSES-RIGHTS

16.1 PURPOSE

This article establishes layoff procedures and reemployment rights. The decision to reduce the number of positions in a class in a department and the reasons for any such reduction shall be within the sole and exclusive discretion of the County. However, the order of layoff and the identity of those employees to be laid off shall be governed by the provisions of this article. This article also establishes reemployment rights and the order of reemployment of employees who are laid off and provides for the resolution of any dispute which might arise respecting the order of layoff or reemployment of those employees who are laid off.

16.2 DEFINITIONS AND INTERPRETATIONS

a. Words and terms used in this article shall have the same meaning as applies to their use in Chapter 2.78, Sacramento County Code, unless otherwise defined below:

- (1) Former class: A class in which an employee previously has held permanent status. An employee may have one (1) or more former classes. However, only those classes in which the employee has held permanent status during the current period of continuous service are eligible former classes in respect to a right to demote.
- (2) Layoff: The involuntary termination from a class of a permanent or probationary employee without fault on the part of the employee, because of lack of work, lack of funds, or in the interest of economy.
- (3) Limited-Term Employee: A person who accepts a limited-term appointment as defined in Section 7.7(f) of the Civil Service Commission rules. A limited-term employee is a temporary employee for purposes of this article. However, a permanent employee appointed to a limited-term position shall have return rights, within the same department, from the limited-term position to the permanent position.
- (4) Separation: Release from employment of a temporary employee or the return of a regular employee from a temporary upgrade to the immediate former class in which the employee held permanent status. Separation does not constitute a layoff.
- (5) Status: The employee's current appointment, such as permanent, temporary, provisional, or probationary. Temporary includes intermittent and limited term.
- (6) Temporary Employee: A person who has been appointed from a list of eligibles, or provisionally in the absence of a list, to a position which is other than a permanent position.

16.3 LAYOFF

a. When it becomes necessary due to lack of work, lack of funds, or in the interest of economy, to reduce the number of employees in a department, the order in which employees will be laid off within each class which is affected by the layoff shall be based on seniority as provided in Section 16.5.

b. Temporary and provisional employees in the class involved in the layoff shall be separated prior to the layoff of any probationary or permanent employees.

c. Prior to the layoff of any probationary or permanent employee, any permanent employee who currently is serving in a temporary position in that class shall be separated and returned to the class in which the person holds permanent status in that department.

d. Probationary and permanent employees shall be laid off in the inverse order of their seniority.

16.4 RIGHT TO DEMOTE

a. Any employee who is scheduled for layoff shall have a right to demote within the department in which layoff will occur to a class in which the employee formerly held permanent status. If there is no authorized position in the department in the class to which the employee would otherwise have a right to demote, then this subsection shall not apply. The right to demote within the department to which the employee is assigned, shall be implemented as follows:

- (1) If there is only one (1) other lower salaried class within the department in which the employee formerly held permanent status, the employee shall be demoted to that class. If there is no vacancy in that class and the demoting employee has less seniority than all other employees within the department in that class, the demoting employee shall be laid off from that class and from employment.
- (2) If there are two (2) or more lower salaried classes within the department in which the employee formerly held permanent status, the employee shall be demoted to that class in which the employee formally held permanent status which has the highest salary. If there is no vacancy in that class, and the demoting employee has less seniority than all other employees within the department in that class, the above process shall continue until the demoting employee either reaches a class within the department in which the employee formerly held permanent status in which there is a vacancy or in which the employee is not the least senior employee within the department in that class, or the employee is laid off from employment.
- (3) An employee who is least senior in a class in which there is no vacancy and to which an employee demotes from a higher class within the department shall be laid off from that class, and shall have the same right to demote as does any other employee who is laid off.
- (4) An employee demoted under this procedure shall be deemed to have exercised the employee's right to demote and to have accepted each demotion, subject to the employee's right to resign from employment.

- (5) An employee who is demoted from a class in which the employee holds permanent status shall be deemed for all purposes to have been laid off from each class from which the employee subsequently demotes or is displaced, including classes which the employee passes through because of the absence of a vacancy and insufficient seniority to occupy a position.

b. An employee who is scheduled for layoff, shall be entitled to request a demotion to another class in which the employee formerly held permanent status which is currently authorized in another department. Except as provided in (3) below, the right to request demotion to another department applies to any class in which the employee formerly held permanent status which has a lower salary than the class from which the employee was laid off, which is authorized in any department other than the department to which the employee was assigned prior to layoff.

- (1) The appointing authority of the department to which the employee requests transfer may, in the appointing authority's discretion, grant a request to demote if there is (a) a vacancy in the class within the department or (b) the requesting employee would not be the least senior employee in the new department within the class to which the request is made.
- (2) An employee whose request to demote to another department is granted, shall be deemed for all purposes to have been laid off from the class from which the employee demotes.
- (3) Such right to request demotion shall not apply to a class to which an employee is demoted within the same department. The purpose of the right to request a demotion to another department is to avoid layoff from employment.

16.5 SENIORITY

a. Seniority shall be determined by the date of original appointment to the class. For purposes of this article, the "date of original appointment to the class" is defined as the date the employee first was appointed to the class, on or after the most recent date of entry into County service, regardless of type of appointment, including, but not limited to, provisional, limited term, temporary and exempt.

b. A seniority list shall be prepared for each class for purposes of layoff and shall include all probationary and permanent employees in that class. Where seniority dates in the class are the same, ties shall be broken in the following sequence:

- (1) Employees with the earliest date of entry into continuous County service.
- (2) Employees with the highest standing on the eligible list from which the appointments to the applicable class were made.

c. The seniority date for employees who terminate and subsequently return to County service in accordance with the military leave provisions of Section 2.78.785 of the Sacramento County Code shall be the date of original appointment to the class, prior to the military separation.

d. If an employee's position is reallocated to a different class, and the former class is no longer authorized in the employee's department, the employee's date of appointment to the former class shall be the seniority date in the class to which the position was reallocated. In such cases the right to demote shall apply to the new class.

e. If an employee is in a class which is retitled, the seniority date in the retitled class shall be the date of appointment to the original class which has been retitled.

f. If an employee returns to a former class in which the employee previously held permanent status, the employee's seniority date in the former class shall be the date of original appointment to the former class.

16.6 JURISDICTION

a. If an employee in a class covered by this article is laid off from that class and demotes to a class which is not covered by this article, then this article no longer applies in respect to the determination of the employee's seniority within the class to which demotion occurs. In such cases, the determination of seniority within the class to which the employee is demoted, shall be based on the agreement of the new representation unit or the Sacramento County Code, whichever applies.

b. Employees employed under the Comprehensive Employment and Training Act (CETA) shall be laid off or separated in compliance with, and their right to demote within the department and to request demotion to another department shall be subject to, all requirements by Congressional enactments, Federal Regulations and Orders, and grant terms and conditions as they exist and apply on the effective date of layoff.

DIVISION B LAYOFF

16.7 NOTICE OF LAYOFF

a. Each employee subject to layoff shall be given written notice of layoff. The notice shall prescribe the effective date of layoff. The written notice shall either be personally handed to the employee, delivered to his/her last known address, or mailed to the last known address if such address is a post office box number. The last known address shall be deemed to be that address which is within the personnel file of the employee within the department to which he/she is assigned. The notice shall be deemed served on the date it is personally handed to the employee, or on the date it is left at his/her last known address, or on the date it is mailed to his/her last known address, as the case may be.

b. The effective date of layoff shall be not earlier than the 14th calendar day following the date of service of the notice of layoff.

16.8 NOTICE TO UNION

Each time a layoff is ordered, the County shall mail to Union, not later than the date of service of the last notice of layoff, each seniority list by class and department in which an employee covered by this Agreement is to be laid off. Each such list shall identify the employees to be laid off and show the date of service of the notice of layoff to each employee who is to be laid off.

16.9 GRIEVANCE-ARBITRATION PROCEDURE

The Grievance-Arbitration procedure set forth in Sections 16.10 through 16.20 shall apply to grievances concerning the validity or timeliness of service of notice of layoff, the order of layoff, or the identification of who is laid off under the order of layoff.

16.10 GRIEVANCE

A grievance is a complaint by one (1) or a group of employees or the Union involving the interpretation, application or enforcement of the express terms of this article, and asserting that an employee or employees have been not served with notice of layoff, not timely served with notice of layoff, misplaced within the order of layoff, or incorrectly identified for layoff under the order of layoff, in violation of the terms of this article.

16.11 TIME, PLACE AND MANNER OF FILING

a. A grievance shall be filed on a form prescribed by the County. Each grievance shall state for each named employee the factual basis for the claim and the provision of the article allegedly violated. Any grievance on this subject which is not timely or does not meet the criteria established in this section shall be deemed invalid, null and void.

b. All grievances on this subject shall be filed with the County's Director of Personnel Services not later than seven (7) calendar days following the alleged violation. Any grievance which is not received by the Director of Personnel Services within seven (7) calendar days following the alleged violation shall be deemed invalid, null and void, and a waiver of the employee's assert of his rights.

16.12 DELIVERY TO UNION

The County shall deliver a copy of each grievance filed by an employee or group of employees to Union not later than eight (8) calendar days following the date of filing.

16.13 COMPLAINTS BY UNION

a. Not later than fifteen (15) calendar days following the date of delivery of copies of grievances by employees pursuant to Section 16.12 or twenty-two (22) calendar days after the filing of a grievance by Union, whichever is earlier, Union shall file a consolidated complaint with respect to all such grievances. The complaint shall name each employee previously named in a grievance, who Union asserts has been not validly served with notice of layoff, not served in a timely manner, misplaced within the order of layoff, or incorrectly identified for layoff under the order of layoff. Any employee named in a timely grievance filed by Union or a timely employee grievance, who is not so named in the complaint, shall be deemed to have been validly and correctly identified for layoff under the order of layoff.

b. By filing the complaint or by not filing a complaint, Union shall have authority to waive the claims of employees which it elects not to assert.

c. The complaint shall be filed with and received by the Director of Personnel Services within fifteen (15) calendar days following delivery to Union of the copies of employee grievances or twenty-two (22) calendar days following filing by Union of its grievance, whichever is earlier.

16.14. ARBITRATION - SCHEDULING

Timely complaints shall be submitted to and determined by an arbitrator. Each arbitration proceeding shall commence not earlier than ten (10) calendar days and not later than thirty (30) calendar days following the date of filing of the complaint.

16.15 CONSOLIDATION OF PROCEEDINGS

a. It is understood that the County is entering into this type of agreement with exclusive representatives of other representation units of County employees. The County Executive or his/her designee shall be authorized to order the consolidation for purposes of hearing and decision of a complaint by Union with one (1) or more complaints by exclusive representatives of other representation units, except as to unit representatives who file their complaints on dates which preclude the scheduling of the consolidated hearing.

b. Consolidation shall be effected by written notice by the County Executive to all unit representatives whose complaints are ordered consolidated. The written notice shall designate the arbitrator for the consolidated hearing from among those specified in Section 16.16-a., or in the event of their unavailability, the arbitrator selected pursuant to Section 16.16-b.

c. The Union shall be authorized to withdraw from the consolidated proceedings by serving written notice of withdrawal upon the County's Director of Personnel Services within five (5) calendar days after service of the notice of consolidation.

d. In the absence of agreement between the parties and the arbitrator, the arbitrator shall schedule the date, time, and place of the hearing.

e. If the Union withdraws from a consolidated proceeding, the County shall have a right to a reasonable continuance of any hearing of the Union's complaint if necessary in order to avoid the hearing of more than one (1) complaint of a unit representative on the same day.

f. If the Union withdraws from a consolidated hearing, and subsequently an arbitrator makes a back-pay award under the Union's complaint, there shall be subtracted from the amounts owing any and all back-pay attributable to the period, between the date of an arbitrator's decision on the Union's complaint and the date of an arbitrator's decision on the complaint which is the first one decided among those ordered to be consolidated.

16.16 APPOINTMENT OF ARBITRATOR

a. The following arbitrators are hereby appointed to conduct either consolidated or non-consolidated proceedings:

- (1) William Eaton
- (2) John Kagel
- (3) Donald H. Wollett
- (4) Gerald P. Marcus

Any of the above arbitrators shall conduct the hearing if his schedule will permit.

b. If none of the above arbitrators are able to serve within the time prescribed by Section 16.14, another arbitrator shall be appointed by the American Arbitration Association or, if expressly agreed by all parties, shall be mutually selected.

16.17 HEARINGS

a. Except as otherwise mutually agreed or otherwise provided herein, the arbitration hearings shall be conducted in accordance with rules of the American Arbitration Association.

b. In the event complaints are consolidated for purposes of hearing and decision, all unit representatives shall present their complaints and evidence in support of their cases in chief before the County presents any rebuttal evidence and its case in chief as to any individual complaint or the complaints as a whole.

c. Whether or not the proceedings shall be consolidated, the parties to the proceedings shall be deemed to be the County and Union (and other unit representatives, if any), and no employee or groups of employees shall be deemed to be parties of the proceedings.

16.18 QUESTIONS

a. In any arbitration proceedings on this issue, the questions to be decided by the arbitrator shall be limited to the following:

- (1) Whether or not the notice of layoff was served in a timely manner in compliance with the provisions of this article;
- (2) Whether the order of layoff complied with the terms of this article;
- (3) Whether the identification of particular employees for layoff violated the terms of this article;
- (4) The remedy, in the event it is determined that layoff did not comply with the terms of this article; and,
- (5) The employee or employees who should have been identified for layoff.

16.19 DECISION

a. The decision by the arbitrator shall comply with the following requirements:

- (1) The decision shall be issued not later than ten (10) calendar days after the close of the hearing or hearings. The decision shall be in writing, shall specifically state the interpretation of this article rendered by the arbitrator, and the remedies, if any. The decision need not state the reasons, discussion or contain reasoning, so long as the interpretation by the arbitrator is specifically stated.
- (2) The arbitrator shall not have jurisdiction or authority to order reinstatement, back pay or any other relief for any employee who is identified for layoff in violation of the terms of this article, unless the employee has been identified in both a timely grievance and a timely complaint.
- (3) The arbitrator shall not have jurisdiction or authority to revise the order of layoff as to any employee except to the extent necessary to grant relief to an employee determined to have been assigned an improper order of layoff alleged in both a timely grievance and a timely complaint.
- (4) The arbitrator shall have authority, in the event of a determination that an employee incorrectly identified for layoff in a timely grievance and a timely complaint, to order the reinstatement of such employee with back pay. For each employee so reinstated, the arbitrator shall determine and designate the employee currently working for the County who should have been identified instead, and shall order the

layoff of each such employee. The order of layoff shall become effective fourteen (14) calendar days following service of the notice of layoff which results therefrom pursuant to Section 16.7.

- (5) Under no circumstances shall an arbitrator have jurisdiction or authority to order any remedy which either directly or indirectly permits the layoff of fewer personnel than ordered by the County or which otherwise impairs the discretion of the County to determine the number of personnel within each department who will be employed.
- (6) The arbitrator shall have no authority to add to, delete or alter any provision of this article, but shall limit his/her decision to the application and interpretation of its express provisions.
- (7) The decision of any arbitrator shall be consistent with prior decisions of other arbitrators, and subsequent arbitrators shall be bound by those interpretations.
- (8) The decision of the arbitrator shall be final and binding as to all matters within his jurisdiction.

16.20 COSTS

The fees and expenses of the arbitrator and court reporter shall be shared equally by the parties. In the event of consolidated proceedings, the arbitrator shall prorate the costs to individual representation units, and the County and unit representatives shall share such costs equally.

DIVISION C REEMPLOYMENT

16.21 ENTITLEMENT

a. With respect to classes covered by this article, reemployment entitlements shall be as follows:

- (1) A person who held permanent status in the class from which the person was laid off shall, during the two-year period following the effective date of layoff, be entitled to be appointed from a departmental reemployment list to a vacancy authorized to be filled in that class within the department from which the person was laid off pursuant and subject to the provision set forth in this division.
- (2) A person who held permanent status in the class from which he/she was laid off, shall also, during the two-year period following the effective date of layoff, be entitled to certification from a County-wide

reemployment list for a vacancy in the class from which the person was laid off, which is authorized to be filled, pursuant and subject to the provisions set forth in this division.

16.22 TYPE OF POSITION

The entitlement to appointment or certification applies whether the position in which the vacancy occurs is regular, temporary, or limited term.

16.23 LIMITED-TERM

Personnel serving under limited-term appointments shall not be entitled to reemployment rights or to placement on either a departmental or County-wide reemployment list, whether or not they held permanent status as limited-term appointees in the class from which they were separated.

16.24 DEPARTMENTAL REEMPLOYMENT LISTS

a. The County shall prepare a departmental reemployment list for each class in each department in which an employee with permanent status in that class is laid off. As personnel are separated from a class in which they hold permanent status, their names shall be added to the list for the class and department in which the layoff occurs in the inverse order in which they are separated from service in that class.

b. Notwithstanding any provision of this article to the contrary, the order of names on departmental reemployment lists shall be derived from (by inverting) the order of layoff prescribed by layoff lists, as the order of layoff may be modified by agreement between the parties or award under grievance-arbitration proceedings commenced pursuant to layoff under Division B, above. The purpose of this provision is to insure that disputes concerning the order of layoff and of departmental reemployment lists are raised and settled at or near the time of layoff, and not at the time reemployment is sought.

c. At the time the class of Mail Messenger is consolidated with the class of Stock Clerk, the departmental reemployment list for Mail Messenger shall be abolished and the name of any person on that list shall be placed on a departmental reemployment list for the class of Stock Clerk. The amount of time the name of any person was on the departmental reemployment list for Mail Messenger shall be counted in determining the date the name is removed from the departmental reemployment list for Stock Clerk.

16.25 COUNTY-WIDE REEMPLOYMENT LISTS

a. The County shall prepare County-wide reemployment lists for each class from which personnel with permanent status in the class were laid off. Each list shall constitute a merger of persons who were laid off from the class and who held permanent status therein. The order of personnel on each County-wide reemployment list shall be

based upon seniority according to the date of original appointment to the class to which the list refers, as determined under Division A.

b. At the time the class of Mail Messenger is consolidated with the class of Stock Clerk, the County-wide reemployment list for Mail Messenger shall be abolished and the name of any person on that list shall be placed on a County-wide reemployment list for the class of Stock Clerk. The amount of time the name of any person was on the County-wide reemployment list for Mail Messenger shall be counted in determining the date the name is removed from the County-wide reemployment list for Stock Clerk.

16.26 APPOINTMENT AND CERTIFICATION PRIORITIES

a. The following priorities shall apply in relation to vacancies in classes to which the entitlement to appointment or certification is applicable:

- (1) A vacancy in a class shall be filled first from the Medical Center transfer eligible lists prescribed in Section 7.7(d) of the Civil Service Rules, as that section existed prior to August 15, 1974. If the vacancy is not filled by appointment from the Medical Center transfer eligible list, then;
- (2) The vacancy shall be filled from that departmental reemployment list for the class in which the vacancy exists and for the department in which the vacancy exists. Persons shall be appointed to vacancies in the order of the list.
 - (a) One person shall be offered an appointment for each vacancy in accordance with the order of the list. If that person declines appointment, the next person in order shall be offered appointment.
 - (b) A person to whom an appointment is intended to be offered may be contacted personally and may accept appointment orally. A person shall not be deemed to have declined appointment unless the person has done so in writing, or unless written notice of the offer of appointment has been transmitted by certified mail to the person's last known address, and the person has failed to accept the appointment in writing within five (5) calendar days following the date of mailing of the notice.
- (3) No persons shall be certified for appointment from a County-wide reemployment list to a vacancy in a class until there are no longer any names on that departmental reemployment list for the class within the department in which the vacancy exists or all persons on that departmental reemployment list have declined appointment to that vacancy. In such event, the names of three (3) persons shall be certified from the County-wide reemployment lists for the class in

which the vacancy exists in accordance with the order of the list. The names shall be certified to the appointing authority for the class in which the vacancy exists, who shall have discretion to offer the appointment to one (1) of the three (3). If there is more than one (1) vacancy, an additional name shall be certified for vacancy in excess of one (1).

- (a) For each person who declines an offer of appointment, an additional name shall be certified.
- (b) A person on the County-wide reemployment list shall be deemed to have declined appointment under the same circumstances and in accordance with the same procedure as is specified in Section 16.26(2)(b).
- (c) If there are fewer than three (3) names on the County-wide reemployment list, a rank or ranks of additional names shall be certified from regular eligible lists so as to provide a total of not less than three (3) persons available for appointment.

16.27 REMOVAL FROM DEPARTMENTAL REEMPLOYMENT LISTS

a. The names of persons shall be deemed removed from departmental reemployment lists and their entitlement to appointment from such lists terminated, as follows:

- (1) Upon the expiration of two (2) years following the effective date of layoff of each person.
- (2) As a result of appointment to a regular position within County service in a class which is the same as the one for which the list exists or which, at the time of appointment, is equal to or higher than the one for which the list exists in salary when measured at the top step of the salary schedule. (Personnel shall not be deemed removed from such lists by virtue of appointment to any temporary or limited-term position in any class.)
- (3) Upon declination of appointment from the list, under the same circumstances and in accordance with the same procedure as is specified in Subsection 16.26(2)(b) except in instances where the person states in writing that he temporarily is medically incapacitated.
- (4) In the event a person states in writing that he does not desire appointment from the list, or fails to file a written statement expressing his desire for appointment within five (5) calendar days following certified mailing to the person's last known address.

16.28 REMOVAL FROM COUNTY-WIDE REEMPLOYMENT LISTS

a. The names of persons shall be deemed removed from County-wide reemployment lists and their entitlement to certification from such lists terminated as follows:

- (1) Upon the expiration of two (2) years following the effective date of layoff of each person.
- (2) As a result of appointment to a regular position within the County service in a class which is the same as the one for which the list exists or which, at the time of appointment, is equal to or higher than the one for which the list exists in salary when measured at the top step of the salary schedule (Personnel shall not be deemed removed from such lists by virtue of appointment to any temporary or limited-term position in any class).
- (3) In the event a person states in writing that the person does not desire appointment from the list, or fails to file a written statement expressing the person's desire for appointment within five (5) calendar days following certified mailing, to the person's last known address.
- (4) Removal from the departmental reemployment list. The removal shall be from that County-wide reemployment list for the class to which the departmental reemployment list applied.
- (5) Except as provided in paragraph a.(3) of Section 16.27 a person shall be authorized to decline appointment to a class to which the person has been certified by submitting a written statement which objects to the appointment on the basis of the identity of the department, geographical location of the job, or shift schedule of the job. Such a declination shall not result in removal of the person from the County-wide reemployment list. The person shall not thereafter be certified for appointment to a vacancy which falls within the description of the written objection.

16.29 EFFECT OF REEMPLOYMENT

When a person is reemployed from either a department reemployment list or a County-wide reemployment list, the period of unemployment following the layoff shall not be treated as an interruption of service for purposes of reestablishing salary, benefits, or seniority. The period of such unemployment shall be treated as County service for seniority purposes. However, with the exception of seniority, the period of unemployment shall not be treated as County service for any other purposes.

16.30 SERVICE OF REEMPLOYMENT LISTS

a. Not later than January 1 of each year, the County shall serve by mail upon Union a set of copies of all County-wide reemployment lists and all departmental reemployment lists for classes covered by the Agreement. Such service shall be made once, and shall include all such lists prepared as a result of all layoffs which have occurred between July 1 and the date of service.

e. The failure of Union to file a grievance within the time required herein shall constitute a waiver of the right to challenge the matters referred to in this section, which is binding upon Union and all other persons.

16.33 OTHER MATTERS

a. Except as to matters referred to in Section 16.32, the Union and any persons laid off from a class covered by this article shall be authorized to file a grievance alleging a violation of Sections 16.21 and 16.29.

b. Any grievance not received by the Director within said period shall be deemed invalid, null, and void.

A hearing shall be held by the County Executive or his/her designee on all grievances filed pursuant to the provisions of Sections 16.32 and 16.33, not later than ten (10) working days following the date of filing. Union shall be given advance written notice of the time, date and place of all such hearings, and shall be authorized to appear and participate therein.

b. If the County Executive or his/her designee determines that a grievance shows a violation of this article and is otherwise timely and within the scope of the grievance-arbitration provisions, he/she shall be authorized to take all actions necessary to grant relief, including the layoff of any employees who have been employed in violation of the provisions of this division relating to reemployment.

c. The County Executive or his/her designee shall issue a written decision not later than five (5) working days following the date of the hearing, and shall mail copies to the grievant or grievants and Union.

- (1) The request for arbitration shall be in writing, and shall be filed with the Director of Personnel Services not later than seven (7) calendar

days after mailing of the decision of the County Executive or his/her designee. If Union fails to file a request for arbitration within the time required, the decision by the County Executive or his/her designee shall be deemed final, binding and conclusive upon all issues determined therein.

- (2) In formulating and filing the request for arbitration or by not filing a request for arbitration, the Union shall have authority to waive the claims of persons who have filed grievances or others which it elects not to file. The failure to assert such claims shall be deemed to be a waiver of such claims and rights which is binding upon the Union, the persons who have filed grievances, and the personnel covered by this article.

16.36 ARBITRATION SCHEDULING

a. Timely requests for arbitration shall be submitted to and determined by an arbitrator. Each arbitration proceeding shall commence not earlier than fifteen (15) calendar days and not later than forty-five (45) calendar days following the date of filing of the request:

ARTICLE XVIII DISCIPLINE AND DISCHARGE

18.1 PURPOSE

It is the intent of the parties that the provisions of this article, shall substitute for any and all appeal procedures provided by the Civil Service Commission relating to the discipline, as defined in Section 18.2 below, of employees in a class included in the Operations and Maintenance Unit.

18.2 DEFINITION

a. As used herein, "disciplinary action" means demotion, reduction in pay step in class, suspension or discharge of an employee with permanent civil service status.

b. As used herein, "parties" means the County and Local 39. If an individual employee covered by this Agreement files an appeal of discipline and Local 39 does not

pursue such appeal, the employee may pursue such appeal and shall assume all of the rights and obligations of Local 39 in the appeal process pursuant to this article including costs as outlined in Section 18.17.

18.3 PERSONS AUTHORIZED TO INITIATE DISCIPLINARY ACTION

The employee's appointing authority or the designated representative of the appointing authority may initiate disciplinary action against an employee.

18.4 APPLICATION

- a. This article shall only apply to employees with permanent civil service status.
- b. Probationary Status: This article shall not apply to an employee in probationary status who shall have no right to grieve or arbitrate release from such probationary appointment.
- c. Temporary Employee: An employee in a temporary position shall have no right to grieve or arbitrate release from such temporary appointment.
- d. Temporary Upgrade: An employee in a temporary upgrade status shall have no right to grieve or arbitrate release from such temporary upgrade status.
- e. Provisional Appointment: An employee with provisional status shall have no right to grieve or arbitrate release from such a provisional appointment.

18.5 CAUSE FOR DISCIPLINARY ACTION

a. No disciplinary action shall be taken against a permanent employee without good cause. "Good cause" is defined as any facts which, based on relevant circumstances, may be reasonably relied on by the appointing authority in the exercise of reasonable discretion as a basis for disciplinary action. "Good cause" includes, but is not limited to:

- (1) Fraud in securing appointment.
- (2) Incompetency.
- (3) Inefficiency.
- (4) Inexcusable neglect of duty.
- (5) Insubordination.
- (6) Dishonesty.

- (7) Drunkenness on duty.
- (8) Addiction to the use of narcotics or habit-forming drugs.
- (9) Inexcusable absence without leave.
- (10) Conviction of a felony or conviction of a misdemeanor which is of such a nature as to adversely affect the employee's ability to perform the duties and responsibilities of the employee's position. A plea of guilty, or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this section.
- (11) Discourteous treatment of the public or other employees.
- (12) Political activity prohibited by state or federal law.
- (13) Willful disobedience.
- (14) Violation of any of the prohibitions set forth in Section 71 of the Sacramento County Charter.
- (15) Refusal to take and sign any oath or affirmation which is a federal, state or County requirement.
- (16) Any failure of good behavior either during or outside of duty hours which is of such nature that it causes discredit to the County or his/her employment.
- (17) Failure to possess or keep in effect any license, certificate or other similar requirement specified in the employee's position specification.
- (18) Any violation of Civil Service Commission Rule 6.6-a which prohibits the solicitation of waivers.
- (19) Failure to pay a service fee, or a contribution required in lieu of a service fee, pursuant to an agency shop provision in a labor agreement between the County and a recognized employee organization, where the disciplinary action in question is provided for in such agreement.

18.6 CAUSES FOR PERSONNEL ACTION DUE TO PHYSICAL OR MENTAL DISABILITY

For non-disciplinary reasons, a permanent employee's employment may be terminated or a permanent employee may be reduced in rank because of physical or mental disability which disability precludes the employee from the proper performance of

the essential duties of his or her job. Any such action shall be subject to the same provisions of this article as are applicable to actions taken pursuant to Section 18.5.

18.7 NOTICE REQUIREMENT AND EFFECTIVE DATE OF ORDER

a. The appointing authority or designee shall file a written proposed order and final order of disciplinary action with the Director of Labor Relations.

b. A copy of the proposed and final notice of disciplinary action shall be served upon the employee either personally, or by registered or certified mail, return receipt requested, to the last known address of the employee. The last known address shall be deemed to be the address which is within the personnel file of the employee within the department to which he or she is assigned. If notice is provided by mail, the employee should be deemed to have received notice five (5) days after the date of mailing.

c. The order shall be approved as to form by the Office of Labor Relations and shall include:

- (1) A statement of the nature of the disciplinary action;
- (2) The effective date of the disciplinary action;
- (3) A statement in ordinary and concise language of all specified facts or omissions upon which the disciplinary action is based; and
- (4) A statement advising the employee of the right to appeal the action through the arbitration procedure of this article, of the manner and time of which said appeal must be made, and the required content of the appeal.

d. The disciplinary action shall be effective on the date and time specified in the order of disciplinary action filed with the Director, provided notice is served as specified in this action.

18.8 APPEAL

a. The employee who is subject to the disciplinary action shall have the right, within fifteen (15) calendar days after receiving the final order of disciplinary action, to appeal from such order by filing a written notice of appeal signed by the employee or the employee's representative with the employee's consent with the Director of Labor Relations. The notice of appeal shall contain the name and address of the person to whom all written communication regarding this appeal shall be sent.

b. The Director of Labor Relations shall promptly provide the appointing authority with a copy of the employee's notice of appeal.

c. An employee who files a notice of appeal as provided herein shall be entitled to a hearing, as provided in this article.

d. An appeal of a disciplinary action is a complaint of a permanent employee with permanent civil service status regarding whether there was good cause for the disciplinary action taken against that employee.

e. If the employee who has been served with an order of disciplinary action fails to file a notice of appeal within the time specified in Subsection a. of this section, the disciplinary action shall become final without further action.

18.9 MEDIATION OF A DISCIPLINARY ACTION

a. Prior to the arbitration hearing the Union may request mediation. Mediation shall take place on the first and third Tuesday of each calendar month. Subsequent days for mediation will be scheduled, if necessary. The parties agree to mutually select a panel of mediators. If the parties are unable to select a panel of mediators, they shall utilize the State Mediation and Conciliation Service.

b. Under no case shall the adjustment of resolution of the discipline at this level exceed forty (40) working days from the date of their appeal, unless extended by mutual agreement of the parties.

c. Mediators who have been selected by the parties to mediate disputes will be scheduled on a rotating and available basis.

d. The parties agree to meet annually in May to review the mediators listed above. The list of mediators for the subsequent year shall be mutually agreed upon, but should the parties be unable to agree on a new list, the previous list will continue until such time as a new list is agreed to, or the State Mediation and Conciliation Services are utilized.

e. All costs of the mediator, if any, shall be borne equally by the parties. No party shall purposely withhold information at this level but shall disclose all information relevant to the appeal for consideration by the other party.

f. The mediation procedure shall be entirely informal in nature. However, copies of exhibits upon which either party bases its case shall be shared with the other party. The relevant facts should be elicited in a narrative fashion to the extent possible, rather than through examination and cross-examination of witnesses. The rules of evidence will not apply and no record of the proceedings will be made. All persons involved in the events giving rise to the appeal should be encouraged to participate fully in the proceedings, both by stating their views and by asking questions of the other participants at the mediation hearing.

g. The primary effort of the mediator shall be to assist the parties in settling the stated appeal in a mutually satisfactory fashion. In attempting to achieve a settlement, the mediator is free to use all of the techniques customarily associated with the mediation process, including private conferences with only one (1) party. If settlement is not possible, the mediator shall provide the parties with an immediate bench opinion, as to how the appeal would be decided if it went to arbitration. That opinion would not be final or binding, but would be advisory. It would be delivered orally and would be accompanied by a statement of the reasons for the mediator's opinion. The advisory opinion may be used as the basis for further settlement discussions or for withdrawal or granting of the appeal. If the appeal is not settled, granted, or withdrawn, the parties are free to arbitrate. If they do, the mediator shall not serve as arbitrator, and no offers or concessions made by the parties or the mediator during mediation can be used against a party during arbitration.

h. Neither attorneys nor court reporters or any other type of note-taker shall be allowed to be present at the proceedings.

i. If the parties agree to be bound by a mediator's recommendation, the subsequent agreement shall be reduced to writing and signed by the parties.

j. If the issue is not resolved during mediation, and in accordance with established timeliness the appeal shall move to arbitration.

18.10 ASSIGNMENT OF AN ARBITRATOR

a. The parties to the hearing and to the selection of the arbitrator shall be the employee, who may be represented by Local 39 or independent counsel, and the County.

b. In the event the parties are unable to agree on the selection of an arbitrator, the arbitrator shall be selected from the following list:

Gerald McKay
Alexander Cohn
Jerilou Cossack
Kenneth Silbert
Leo Kanowitz

This list may be modified by mutual agreement of the parties.

c. Arbitration Selection: Where this section is used to determine the selection of an arbitrator, the arbitrator to hear a particular dispute shall be determined on a straight rotation basis, based upon the above listed order. If the next arbitrator on the rotation is unwilling to serve as the arbitrator, that arbitrator shall be bypassed and the next listed arbitrator shall be the selected arbitrator to be contacted. Either party shall have the right to declare an arbitrator as unavailable if the arbitrator cannot conduct the hearing within ninety (90) calendar days of being contacted by the parties. If a party makes such a declaration, that arbitrator will be bypassed and the next listed arbitrator shall be the selected arbitrator to be contacted.

d. If none of the arbitrators are able to serve based upon this selection process, the parties may mutually select any arbitrator. If the parties are unable to mutually agree upon an arbitrator, a list of five (5) arbitrators shall be requested from the State Mediation and Conciliation Service. The parties shall alternately strike one (1) name from this list and the remaining name shall be the selected arbitrator.

18.11 AMENDED OR SUPPLEMENTAL ORDER

At any time after a hearing has commenced on a disciplinary action and prior to the time the appeal is submitted for decision, the appointing authority may, with the consent of the arbitrator, serve on the employee and file with the Director of Labor Relations an amended or supplemental order of disciplinary action. Consent is not required for an amended or supplemental order filed prior to commencement of the hearing. If the amended or supplemental order presents new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare a defense thereto. Any new causes or allegations shall be deemed denied and any objections to the amended or supplemental causes or allegations may be made orally at the hearing.

18.12 DISCOVERY

a. Permissible discovery: Pursuant to the procedure set forth in Subsection c. below, any party to the arbitration hearing may obtain the following information in the hands of or which may reasonably be obtained by the responding party or the responding party's representative (As used herein, "responding party" shall mean the person of whom the information is requested.):

- (1) Those allegations in the order of disciplinary action which are admitted by the employee and those allegations in the order of disciplinary action which are denied by the employee.
- (2) The name, address and telephone number of each witness whom the responding party intends to call to testify at the hearing.
- (3) Copies of statements by any person whom the responding party intends to call as a witness.
- (4) All writing relevant to the issues involved in the appeal including, but not limited to, reports of mental, physical and blood examinations

which the responding party intends to introduce into evidence. "Writing" as used herein shall have the meaning defined in Evidence Code Section 250 which states: "Writing" means handwriting, typewriting, printing, photostating, photographing, and every other means of recording upon any tangible thing any form of communication or representation, including letters, words, pictures, sounds or symbols, or combinations thereof.

- (5) A statement specifically defining the issues in dispute.
- (6) The foregoing does not apply to witnesses or exhibits used for impeachment or rebuttal.

b. Confidential or privileged matter: If the responding party determines that the writing or other material requested is confidential or privileged, the response to the discovery request shall specifically so state, and shall set forth in detail the grounds upon which confidentiality or privilege is claimed. If the requesting party disputes the claim of privilege or confidentiality, the arbitrator shall resolve the claim. In resolving the claim, the arbitrator may order that the writing or other material be deposited with the arbitrator in a sealed container. In ruling on such claims, the arbitrator may grant or deny the claim of confidentiality or privilege in whole or in part. The arbitrator shall have no authority to resolve any claim concerning material which by statute may only be released by court order. If the arbitrator determines that the material is confidential, but limited disclosure is necessary, the arbitrator may impose conditions upon the use or disclosure of the item by the requesting party. If the arbitrator determines that the material requested is subject to an evidentiary privilege, the decision regarding disclosure of the matter shall be strictly governed by the provisions of the Evidence Code.

c. Procedure for discovery:

- (1) Personal service: At any time after the hearing date has been set for an appeal, but in no event later than thirty (30) calendar days before the date set for such hearing, any party may personally serve a written request upon the responding party, or representative of record, for any or all of the information set forth in Subsection (a) above.
- (2) Service by mail: At any time after the hearing date has been set for an appeal, but in no event later than thirty-five (35) calendar days before the date set for such hearing, any party may serve, by first-class mail, a written request upon the responding party, or representative of record, for any or all of the information set forth in Subsection a. above. The effective date of service shall be the date of the postmark.
- (3) Response: Within twenty (20) calendar days of receiving the request mentioned in (1) and (2) above, the responding party shall prepare and serve a response to the request. Such response shall

be served upon the requesting party, or representative of record, by the same means as service of the request was made.

- (4) Request to be deemed continuing request: The discovery request is a continuing request, which requires a continuous response. Where new or additional information becomes available to the responding party, such information shall forthwith be furnished to the requesting party, or representative of record.
- (5) Negative response: In the event the responding party does not have an item of the information requested, the responding party shall give a written negative response as to that particular item within the time specified for response, but shall respond fully as to the information which the responding party does possess. The responding party shall comply with (4) above after such negative response.
- (6) Disputes: Any dispute between parties regarding discovery shall be resolved by the arbitrator.
- (7) Penalties for failure to comply: The arbitrator shall impose penalties for failure to comply with this subsection. These penalties shall be based upon the seriousness of the failure to comply, the good or bad faith of the non-complying party, and the extent to which the non-compliance results in surprise to the requesting party and handicaps the requesting party in preparing the case. The following penalties may be imposed:
 - (a) Exclusion of evidence;
 - (b) Continuing the hearing at any stage; or
 - (c) Upon proof of a willful or repeated violation, the arbitrator shall determine the issue against the noncomplying party.

18.13 TIMING AND CONDUCT OF HEARING

- a. The arbitration hearing shall be held at the earliest administratively convenient date, taking into consideration the availability of the arbitrator and the availability of counsel and witnesses. The arbitration hearing shall be a private hearing.
- b. The employee shall be entitled to be represented by Local 39 and counsel chosen by Local 39; or, if the employee chooses not to be represented by Local 39, the employee may be self-represented. The employee has the further right to pay for and retain independent counsel for representation at the hearing.
- c. The employee shall be entitled to appear personally at the hearing and produce evidence.

d. Local 39 shall have the right to attend the hearing if Local 39 is not chosen by the employee as his/her representative.

e. The appointing authority may also be represented by counsel.

f. At the hearing, the appointing authority shall have the burden of going forward first with evidence in support of the allegations contained in the order of disciplinary action and shall have the burden of establishing the facts by a preponderance of the evidence. The arbitrator may administer oaths and take official notice of facts as authorized by law.

g. Oral evidence shall be taken only on oath or affirmation.

h. A court reporter shall take a transcript of the hearing.

i. The arbitrator may consider the records or any relevant prior disciplinary actions against the employee which are final, and any records contained in the employee's personnel files if such records were introduced at the arbitration hearing.

j. Each party shall have these rights: To call and examine witnesses; to introduce exhibits; to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness; and to rebut evidence. The appellant may be called and examined as if under cross-examination.

k. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the hearing, and irrelevant and unduly repetitious evidence shall be excluded.

18.14 SUBPOENAS

Before the hearing has commenced, or during the hearing, the arbitrator shall have the power to issue subpoenas in accordance with Section 1282.6 of the Code of Civil Procedure.

18.15 DECISION

a. Following the hearing, the arbitrator shall promptly prepare and submit to the parties to the hearing a decision in the case within thirty (30) calendar days. The decision shall contain and be limited to specific factual findings relating to the facts alleged in the disciplinary order and any facts asserted by the appellant for purposes of

defense or mitigation; a determination of legal issues, if any; a determination of whether the facts found constitute good cause for discipline; and an order that affirms, modifies or sets aside the order of disciplinary action imposed by the appointing authority.

b. In determining whether there is cause for discipline, the arbitrator shall independently review the sufficiency of the evidence supporting the charges. If good cause for the disciplinary action is found under this independent review standard, the arbitrator shall not modify or reduce the penalty imposed by the appointing authority unless the arbitrator issues written findings demonstrating that there is clear and convincing evidence that the level of such discipline is improper.

18.16 FINALITY OF DECISION

The decision of the arbitrator shall be final and binding.

18.17 COSTS

The fees and expenses of the arbitrator, the court reporter, and the transcript, if any, shall be shared equally by Local 39 and the County. If an individual employee not represented by Local 39 files an appeal of discipline and he/she retains independent counsel, he/she shall be responsible for all costs of retaining said counsel and shall be responsible for sharing equally with the County the costs of the arbitrator, court reporter and transcript or any related costs for arbitration.

18.18 WITNESSES

The County agrees that employees shall not suffer loss of compensation for time spent as a witness at an arbitration hearing held pursuant to this article. The employee and Local 39 agree that the number of witnesses requested to attend and their scheduling shall be reasonable.

ARTICLE XIX TERM

19.1 TERM

**COUNTY OF SACRAMENTO
CALIFORNIA**

For Agenda of: February 5, 2002

To: Board of Supervisors

From: Director of Labor Relations

Subject: **ADDENDA TO LABOR AGREEMENTS - DOMESTIC PARTNERS**

Contact: Steve Lakich, Director of Labor Relations, 874-7095

Overview

These addenda will bring the labor agreements into compliance with Assembly Bill 25 by including the domestic partner of an employee and the domestic partner's child in the family sick leave provisions.

Recommendation

Approve the attached resolution authorizing implementation of the attached addenda.

Fiscal Impact

None

Background:

Effective January 1, 2002, Assembly Bill 25 (AB25) expanded the rights and privileges of California domestic partners in several areas. The right to use sick leave to attend to the illness of a domestic partner or the domestic partner's child is the one area that impacts operations for all departments. AB25 defines domestic partners as partnerships of the same sex, or persons of the opposite sex if one is at least 62 years old and eligible for "old age" Social Security benefits.

Discussion:

In compliance with AB25, the proposed addenda revise the family sick leave provisions of the labor agreements to include the domestic partner of an employee and the domestic partner's child. Family sick leave will be applied to these individuals in the same manner as family sick leave has been applied in the past. Proof of registration of the partnership will not be required.

Addenda to Labor Agreements - Domestic Partners
February 5, 2002
Page 2

As stated in current and previous legislation, the amount of family sick leave an employee can use is to be not less than the sick leave that would be accrued during six months at the employee's rate of entitlement. Based upon that requirement, the minimum amount would be approximately 7.5 days annually for the County. However, the appointing authority has the discretion to decide the amount of accumulated sick leave an employee could use, on a case-by-case basis, which may be greater than 7.5 days annually.

IN THE
OPERATIONS AND MAINTENANCE UNIT**

This addendum is to the 2001-06 Agreement between the County of Sacramento and Stationary Engineers, Local 39, covering all employees in the Operations and Maintenance Unit.

The parties agree to revise the Agreement as follows:

9.3 SICK LEAVE

Change Subsection b.(3) to read:

- (3) For family purposes, a regular employee may use leave credits for:
 - (a) Attendance upon an eligible family member who is incapacitated because of illness or injury and definitely requires personal care. The length of such absence shall be limited by the appointing authority to the time reasonably required to either provide care or to make other arrangements for such care. For the purposes of this Subsection (3) an eligible family member is the employee's spouse, child, parent, grandparent, domestic partner (as defined by Section 297 of the California Family Code), or domestic partner's child. **ARTICLE IX
LEAVES**

Add Section 9.13 to read:

9.13 COUNTY EMPLOYEES AS VOLUNTEER POLL WORKERS PROGRAM

a. Any regular County employee, other than employees assigned to the Division of Voter Registration and Elections, may apply for paid leave from County employment to serve as a volunteer poll worker in a polling place in Sacramento County through the County Employees as Volunteer Poll Worker Program when the election day and/or required poll worker training fall within the employee's regularly scheduled work day.

b. Subject to the sole discretion of his or her appointing authority to grant or deny the request based on the needs of the service, a regular employee is qualified for approval as follows:

- (1) The employee has successfully applied for and has been selected and found qualified by the Sacramento County Registrar of Voters to serve as a volunteer poll worker;
- (2) The employee has made a request in writing to his/her appointing authority for an absence from County employment as is necessary to attend and complete Poll Worker Training as directed by the Registrar and an absence for the employee's entire regularly scheduled work day on election day to serve as a volunteer poll worker in Sacramento County;

- (3) On the day of the election the employee has fully executed his/her responsibilities as a poll worker and reported to his/her assigned polling place at the designated time, performed all duties appointed by the County elections official and as required by applicable state and federal elections laws, and remained on duty until the poll was properly closed and secured and until released by the County elections official. **ADDENDUM #3
TO THE
2001-06 AGREEMENT
BETWEEN
COUNTY OF SACRAMENTO
AND
STATIONARY ENGINEERS, LOCAL 39
IN THE
OPERATIONS AND MAINTENANCE UNIT**

This addendum is to the 2001-06 Agreement between the County of Sacramento and Stationary Engineers, Local 39, covering all employees in the Operations and Maintenance Unit.

The parties agree to revise Section 10.6, Flexible Spending Account, and add Section 10.7, Domestic Partners, to Article X, Health and Welfare, of the Agreement as follows:

10.6 FLEXIBLE SPENDING ACCOUNT

The County will expand the Flexible Spending Account, which currently provides employees with the options of Premium Reduction and Dependent Care Assistance, to include Unreimbursed Medical Expenses; with a calendar year maximum of \$2,400, effective January 1, 2003.

10.7 DOMESTIC PARTNERS

a. No sooner than January 1, 2003, but no later than July 1, 2003, depending upon administrative implementation, any of the medical insurance and dental plans made available to employees pursuant to this Agreement will be available, at no coverage cost to County, to domestic partners as defined by Section 297 of the California Family Code.

b. The employee shall be solely responsible for any additional cost of such coverage of the domestic partner and shall be required to provide certification of domestic partner registration. In no event will the County's monthly health and welfare contribution be used to pay for the cost of the domestic partner's coverage. The following shall determine employee cost for a domestic partner.

- (1) The dental coverage shall be \$39.78 per month for Fiscal Year 2002-03. The cost in subsequent fiscal years shall be determined at the discretion of the County.

- (2) An employee with "employee only" medical plan coverage who adds a domestic partner to that plan will pay the cost difference between the medical plan premium for the "employee only" and "dependent" coverage.
- (3) There will be no further cost if an employee adds a domestic partner to his/her medical plan where the employee has and continues to have "dependent" coverage. In such event, the employee shall have taxable imputed income based on the "employee only" medical plan premium.

c. The employee will be responsible for any tax consequences resulting from the inclusion of a domestic partner under the medical insurance and dental plans offered pursuant to this Agreement.
